

the Township of Cranford; (3) the former Rahway Valley Railroad Company (Rahway Valley) main line from milepost 0 at the junction with the NJ Transit (Raritan Valley Line) in Cranford to milepost 3.9 immediately southeast of the Rahway River Bridge in Union, inclusive of the branch line from the junction at milepost 3.1 and extending northeast approximately 1.1 miles, and the branch line from the junction at milepost 1.1 and extending southeast approximately .50 miles; and (4) the former Rahway Valley main line from milepost 3.9 immediately southeast of the Rahway River Bridge in Union to milepost 7.1 at the junction of the Rahway Valley Line and the NJ Transit (Morris and Essex Line) in Summit, NJ.<sup>1</sup> These lines are currently in the custody of the County of Union, NJ (the County).

On May 9, 2002, the County and M&E entered into a 10-year operating agreement commencing on May 15, 2002.<sup>2</sup> Under the agreement, which contemplates rehabilitation of the lines, M&E will complete all rehabilitation of the lines specified in Phases I and II, except for the limitation specified in Phase II, and be ready to initiate rail services over these segments within 6 months. M&E will not proceed with the rehabilitation of Phase III lines and the commencement of rail services until it receives the written concurrence of the County. Upon receiving such concurrence, M&E agrees to proceed with the rehabilitation of Phase III lines and initiate service over this portion within 9 months. Phase IV lines will be rehabilitated only upon the mutual consent of the County and M&E.

M&E states that it will interline freight with Consolidated Rail Corporation (Conrail), Norfolk Southern Railway Company (NS) and CSX Transportation, Inc. (CSXT), at Cranford, Bayway (Linden), and Bound Brook, NJ. In addition, M&E states that it will be able to operate through service by using its rights to operate over NJ Transit at Cranford Junction, NJ.<sup>3</sup>

<sup>1</sup> Abandonment of the lines was previously authorized in *Staten Island Railway Corporation-Abandonment*, Docket No. AB-263 (Sub-No. 3) (ICC served Dec. 5, 1991), and *Rahway Valley Railroad Company-Abandonment-Between Aldene and Summit in Union County, NJ*, Docket No. AB-211 (ICC served Aug. 27, 1992). According to M&E, line segments of the Staten Island Railway and the entire line of Rahway Valley were subsequently conveyed to the State of New Jersey.

<sup>2</sup> Pursuant to the agreement, M&E will have the option to extend the 10-year period for two additional 5-year periods.

<sup>3</sup> On June 13, 2002, Conrail filed comments in this proceeding. Conrail states that no interchange and/or operating arrangements have been made between Conrail, M&E, CSXT, and NS in conjunction with M&E's proposal to operate the

The rail lines qualify for a modified certificate of public convenience and necessity. See *Common Carrier Status of States, State Agencies and Instrumentalities and Political Subdivisions*, Finance Docket No. 28990F (ICC served July 16, 1981).

M&E indicates that, even though rehabilitation subsidies are being provided, the lines will operate without any operating subsidies. M&E also indicates that there are no preconditions for shippers to meet in order to receive rail service, and that it has obtained liability insurance coverage.
