

Montana, and has prepared a final environmental assessment (EA) for the project. The project does not occupy any Federal or tribal lands. In the final EA, the Commission's staff has analyzed the potential environmental effects of the existing project and has concluded that approval of the project, with appropriate environmental protection measures, would not constitute a major federal action significantly affecting the quality of the human environment.

On April 12, 2002, Commission staff issued a draft EA for the project and requested comments within 45 days. Five entities filed comments which are addressed in this final EA.

Copies of the final EA can be viewed at the Commission's Reference and Information Center, Room 2A, 888 First Street, NE., Washington, DC 20426, or by calling 202-208-1371. The document also can be viewed on the web at <http://rimsweb1.ferc.gov/rims> (call 202-208-2222 for assistance).

[Project No. 11566-000-Maine]

Ridgewood Maine Hydro Partners, L.P.; Notice of Availability of Final Environmental Assessment

July 24, 2002.

In accordance with the National Environmental Policy Act of 1969 and the Federal Energy Regulatory Commission's (Commission) regulations, 18 CFR part 380 (Order No. 486,52 FR 47879), the Office of Energy Projects has reviewed the application for an original license for the Damariscotta Mills Project, located on the Damariscotta River, in Lincoln, County, Maine, and has prepared an Environmental Assessment (EA) for the project. There are no Federal lands occupied by the project works or located within the project boundary. In the EA, the Commission staff has concluded that approval of the proposed project, with appropriate mitigation measures, would not constitute a major Federal action significantly affecting the quality of the human environment.

Copies of the EA are available for review in the Public Reference Branch, Room 2-A, of the Commission's offices

at 888 First Street, NE., Washington, DC 20426. The EA may also be viewed on the Web at <http://www.ferc.gov> using the "RIMS" link-select "Docket#" and follow the instructions (call 202-208-2222 for assistance).

j. *Deadline for filing comments:* 20 days from the date of this notice. Reply comments due 30 days from the date of this notice.

All documents (original and eight copies) should be filed with: Magalie R. Salas, Secretary, Federal Energy Regulatory Commission, 888 First Street, NE, Washington, DC 20426.

The Commission's Rules of Practice require all intervenors filing documents with the Commission to serve a copy of that document on each person on the official service list for the project. Further, if an intervenor files comments or documents with the Commission

relating to the merits of an issue that may affect the responsibilities of a particular resource agency, they must also serve a copy of the document on that resource agency.

Comments may be filed electronically via the Internet in lieu of paper. See 18 CFR 385.2001(a)(1)(iii) and the instructions on the Commission's web site (<http://www.ferc.gov>) under the "e-Filing" link.

k. Madison Paper Industries (MPI) filed an addendum to its January 30, 2002 offer of settlement on behalf of itself and the U.S. Fish and Wildlife Service; National Park Service, Bureau of Indian Affairs; Maine State Planning Office; Maine Department of Inland Fisheries and Wildlife; Maine Department of Marine Resources; Maine Department of Conservation; Maine Atlantic Salmon Commission; Town of Anson; Town of Madison; Appalachian Mountain Club; Trout Unlimited, including the Kennebec Valley Chapter of Trout Unlimited; Kennebec Valley Trails; Friends of the Kennebec Salmon; Maine Council of the Atlantic Salmon Federation; Maine Historic Preservation Commission; and American Rivers. In the addendum, the signatories agree that their intent is that the licensee not be obligated to implement any protection, mitigation, or enhancement measures earlier than May 1, 2004. The addendum additionally states that a parcel of land included in the shoreland buffer zone under the offer of settlement has been reserved by MPI for future development, and therefore, a separate set of conservation easement restrictions would be developed for the parcel.

l. A copy of the Addendum to the January 30, 2002 Offer of Settlement is on file with the Commission and is available for public inspection. This filing may also be viewed on the Commission's web site at <http://www.ferc.gov> using the "RIMS" link, select "Docket #" and follow the instructions (call 202-208-2222 for assistance). A copy is also available for inspection and reproduction at the address in h above.
