[Program Announcement No. OCS-2002-17]

#### Grant to the Community Nutrition Institute

**AGENCY:** Office of Community Services (OCS), Administration for Children and Families (ACF), Department of Health and Human Services (DHHS).

**ACTION:** Award announcement.

**SUMMARY:** Notice is hereby given that a noncompetitive grant award is being made to the Community Nutrition Institute to support a nationwide initiative for the Community Food and Nutrition Program (CFNP). The nationwide initiative is a national research project to study the impact of current CFNP projects on low-income communities, families, and children nationwide. The results of the study will enable OCS to improve the quality of service provided to the network of CFNP grantees, and to assess the program's impact on improving the health and nutritional well-being of low-income families, children and individuals nationwide.

The CFNP legislation requires that the Department fund a Nationwide Program for Fiscal Year 2002. Pub. L. 97-35 as amended by Pub. L. 105-285 at section 681(b)(2)(C) states that “\* \* \* The Secretary shall \* \* \* make grants \* \* \* on a competitive bases \* \* \* for nationwide programs. \* \* \*” Since the Department did not receive any applications in response to our CFNP Nationwide Program Announcement, this project is being funded noncompetitively. It is expected to provide valuable information useful to this Department and other practitioners regarding research and demonstration initiatives related to welfare reform and the well-being of low-income children and families. This is a three-year project. The cost of the project is \$300,000 for the first year.

#### Grant to the Hebrew Immigrant Aid Society

**AGENCY:** Office of Refugee Resettlement (ORR), HHS.

**ACTION:** Grant Award Announcement.

**SUMMARY:** Notice is hereby given that an award is being made to the Hebrew Immigrant Aid Society of New York, in the amount of \$850,000 to further the integration and self-sufficiency of recently arrived refugees by implementing programs to strengthen refugee families and marriages and to promote responsible fatherhood. The funds provided will be utilized to develop programs in 10 pilot sites. The period of this funding will extend through September 29, 2004.

After an appropriate review, it has been determined that the need for the cited services by this population is imperative and the applicant has over two hundred years of experience in resettling such refugees. The proposed activities—family strengthening programs for struggling refugee families—strongly support the Administration's defined goals. These programs reflect current social science research in family relationships and have a strong track record in successful outcomes in mainstream populations. Their extension to refugee populations will be a welcome addition to ORR's social services emphasis. No other grant program currently includes these programs.
