I. Summary of Final Rule

Today's final rule expands manufacturers' programs for remedying safety defects and noncompliances in motor vehicles and equipment to include reimbursement plans that, at a minimum, cover certain expenditures related to the defect or noncompliance incurred before the implementation of the recall. The rule requires manufacturers to submit to the agency reimbursement plans that satisfy specific requirements and to comply with the terms of those plans.

This final rule adopts, in most respects, the proposals in the Notice of Proposed Rulemaking, 66 FR 64078 (December 11, 2001). This rule specifies a minimum period for which a manufacturer must provide reimbursement to a person who
