BILLING CODE 6351-01-P

DEPARTMENT OF THE TREASURY

Bureau of Alcohol, Tobacco and Firearms

27 CFR Part 47

[T.D. ATF—484]

RIN 1512-AC86

Delegation of Authority

AGENCY: Bureau of Alcohol, Tobacco and Firearms (ATF), Treasury.

ACTION: Treasury decision, final rule.

SUMMARY: This final rule places all ATF authorities contained in its Importation of Arms, Ammunition and Implements of War regulations with the “appropriate ATF officer.”

Consequently, this final rule removes the definitions of, and references to, specific officers subordinate to the Director. This final rule also requires that persons file documents required by these regulations with the “appropriate ATF officer” or in accordance with the instructions on the ATF form.

Concurrently with this Treasury Decision, ATF is issuing ATF Order 1130.34, which will be made available as specified in this rule. Through this order, the Director delegates all of the authorities to the appropriate ATF officers and specifies the ATF officers with whom applications, notices, and other reports, which are not ATF forms, are filed.

EFFECTIVE DATE: This rule is effective October 21, 2002.

FOR FURTHER INFORMATION CONTACT: Robert Ruhf, Regulations Division, Bureau of Alcohol, Tobacco and Firearms, 650 Massachusetts Avenue NW., Washington, DC 20226 (telephone 202-927-8210 or e-mail alctob@atfhq.atf.treas.gov).

SUPPLEMENTARY INFORMATION:

Background

Pursuant to Treasury Order 120-01 (formerly 221), dated June 6, 1972, the Secretary of the Treasury delegated to the Director of the Bureau of Alcohol, Tobacco and Firearms (ATF), the authority to enforce, among other laws, the provisions of chapter 52 of the Internal Revenue Code of 1986 (IRC). The Director has subsequently

redelegated certain of these authorities to appropriate subordinate officers by way of various means, including by regulation, ATF delegation orders, regional directives, or similar delegation documents. As a result, to ascertain what particular officer is authorized to perform a particular function under such provisions, each of these various delegation instruments must be consulted. Similarly, each time a delegation of authority is revoked or redelegated, each of the delegation documents must be reviewed and amended as necessary.

ATF has determined that this multiplicity of delegation instruments complicates and hinders the task of determining which ATF officer is authorized to perform a particular function. ATF also believes these multiple delegation instruments exacerbate the administrative burden associated with maintaining up-to-date delegations, resulting in an undue delay in reflecting current authorities.

Accordingly, this final rule rescinds all authorities of the Director in Title 27, Code of Federal Regulations, Part 47, Importation of Arms, Ammunition and Implements of War, that were previously delegated and places those authorities with the “appropriate ATF officer.” Also, all of the authorities of the Director that were not previously delegated are placed with the “appropriate ATF officer.” Along with this final rule, ATF is publishing ATF Order 1130.34, Delegation of the Director’s Authorities in 27 CFR Part 47, Importation of Arms, Ammunition and Implements of War, which delegates certain of these authorities to the appropriate organizational level. The effect of these changes is to consolidate the Director’s delegations of authority for part 47 into one delegation instrument. This action both simplifies the process for determining what ATF officer is authorized to perform a particular function and facilitates the updating of delegations in the future. As a result, delegations of authority will be reflected in a more timely and user-friendly manner.

This final rule also eliminates all references in the regulations that identify the ATF officer with whom an ATF form is filed. This is because ATF forms will indicate the officer with whom they must be filed. Similarly, this final rule also amends part 47 to provide that the submission of documents other than ATF forms (such as letterhead applications, notices and reports) must be filed with the “appropriate ATF officer” identified in ATF Order 1130.34. These changes will facilitate the identification of the officer with

whom forms and other required submissions are filed.

In addition, this final rule makes the following conforming changes in 27 CFR part 47:

- In Subpart D—Administrative Provisions, section 47.41 is amended to provide that the instructions for an ATF form identify the ATF officer with whom it must be filed.

- In Subpart F—Miscellaneous Provisions, section 45.58 is added to recognize the authority of the Director to delegate regulatory authorities in part 47 and to identify ATF Order 1130.34 as the instrument making such delegations.

ATF has made or will make similar changes in delegations of authority to all other parts of Title 27 of the Code of Federal Regulations through separate rulemakings.

Regulatory Flexibility Act

Because no notice of proposed rulemaking is required for this rule, the provisions of the Regulatory Flexibility Act (5 U.S.C. 601 *et seq.*) do not apply. A copy of this final rule was submitted to the Chief Counsel for Advocacy of the Small Business Administration in accordance with 26 U.S.C. 7805(f). No comments were received.

Executive Order 12866

It has been determined that this rule is not a significant regulatory action because it will not: (1) Have an annual effect on the economy of \$100 million or more or adversely affect in a material way the economy, a sector of the economy, productivity, competition, jobs, the environment, public health or safety, or State, local or tribal governments or communities; (2) create a serious inconsistency or otherwise interfere with an action taken or planned by another agency; (3) materially alter the budgetary impact of entitlements, grants, user fees, or loan programs or the rights and obligations of recipients thereof; or (4) raise novel legal or policy issues arising out of legal mandates, the President’s priorities, or the principles set forth in Executive Order 12866.

Administrative Procedure Act

Because this final rule merely makes technical amendments and conforming changes to improve the clarity of the regulations, it is unnecessary to issue this final rule with notice and public procedure under 5 U.S.C. 553(b). Similarly it is unnecessary to subject this final rule to the effective date limitation of 5 U.S.C. 553(d).
