Glen Oaks Industries, Inc., Dallas, TX; Amended Certification Regarding Eligibility To Apply for Worker Adjustment Assistance

In accordance with section 223 of the Trade Act of 1974 (19 U.S.C. 2273) the Department of Labor issued a Certification of Eligibility to Apply for Worker Adjustment Assistance on August 29, 2002, applicable to workers of Glen Oaks Industries, Marietta Sportswear Manufacturing Company, Inc., Dallas, Texas. The certification was amended on September 25, 2002, to include workers formerly employed at Marietta Sportswear Manufacturing Co., Inc., Marietta, Oklahoma. The notice will soon be published in the **Federal Register**.

At the request of the State agency, the Department reviewed the certification for workers of the subject firm. New information provided by the company official shows that wages for the six workers engaged in the production of men's slacks at the Dallas, Texas, location were reported to the Unemployment Insurance (UI) tax account for Glen Oaks Industries in Oklahoma. The company official also reports that Marietta Sportswear Manufacturing Co., Inc., is no longer an entity of Glen Oaks Industries, and thus, not applicable to this worker group.

Also, the Department has learned from the State that all six workers have been separated from employment and there is no need to have the certification in effect for two years from the date of issuance.

Based on this new information, the Department is again amending the certification to limit coverage to workers producing men's slacks at Marietta Sportswear Manufacturing Co., Inc., Dallas, Texas, whose wages were reported to the State of Oklahoma under the UI tax account for Glen Oaks

Industries. Furthermore, the certification will expire October 4, 2002.

The amended notice applicable to TA-W-41,761 is hereby issued as follows:

Workers producing men's slacks at Glen Oaks Industries, Dallas, Texas, whose wages were reported to Glen Oaks Industries in Marietta, Oklahoma, who became totally or partially separated from employment on or after June 16, 2001 through October 4, 2002, are eligible to apply for adjustment assistance under Section 223 of the Trade Act of 1974.

Signed in Washington, DC, this 4th day of October, 2002.

Certifying Officer, Division of Trade Adjustment Assistance.

In accordance with Section 250(A), Subchapter D, Chapter 2, Title II, of the Trade Act of 1974 (19 U.S.C. 2273) the Department of Labor issued a Certification for NAFTA Transitional Adjustment Assistance on September 23, 2002 applicable to workers of Harris Welco, Division of J.W. Harris Co., Inc., Flux Department, Kings Mountain, North Carolina. The notice was published in the **Federal Register** on October 10, 2002 (67 FR 63160).

At the request of the company, the Department reviewed the certification for workers of the subject firm. Findings show that the Department limited its certification coverage to workers of the subject firm's Flux Department.

Accordingly, the Department is amending the certification determination to properly reflect this matter.

It is the intent of the Department's certification to include all workers of Harris Welco who were adversely affected by a shift in production of flux coated welding rods to Mexico. Workers of the Plastics Department that was previously certified for NAFTA-TAA on June 24, 2002, remains in effect (NAFTA-6102).

The amended notice applicable to NAFTA-06414 is hereby issued as follows:

"All workers of Harris Welco, Division of J.W. Harris Co., Inc., excluding workers of the Plastics Department, Kings Mountain, North Carolina, who became totally or partially separated from employment on after July 26, 2001, through September 23, 2004, are eligible to apply for NAFTA-TAA under Section 250 of the Trade Act of 1974."
