#### **Time Limits**

##### *Statutory Time Limits*

Section 751(a)(3)(A) of the Tariff Act of 1930, as amended (the Act), requires the Department of Commerce (the Department) to complete the preliminary results of an administrative review within 245 days after the last day of the anniversary month of an order/finding for which a review is requested and the final results within 120 days

after the date on which the preliminary results are published. However, if it is not practicable to complete the review within these time periods, section 751(a)(3)(A) of the Act allows the Department to extend the time limit for the preliminary results to a maximum of 365 days after the last day of the anniversary month of an order/finding for which a review is requested, and for the final results to 180 days (or 300 days if the Department does not extend the time limit for the preliminary results) from the date of publication of the preliminary results.

##### *Background*

On August 27, 2002, the Department of Commerce (the Department) published a notice of initiation of administrative review of the antidumping duty order on fresh Atlantic salmon from Chile, covering the period July 1, 2001, through June 30, 2002 (67 FR 55000). The preliminary results are currently due no later than April 2, 2003.

##### *Extension of Time Limit for Preliminary Results of Review*

We determine that it is not practicable to complete the preliminary results of this review within the original time limit for the reasons stated in our memorandum from Gary Taverman, Director, Office V, to Holly Kuga, Acting Deputy Assistant Secretary, which is on file in the Central Records Unit, Room B-099 of the main Commerce building. Therefore, the Department is extending the time limit for completion of the preliminary results until no later than May 1, 2003. We intend to issue the final results no later than 120 days after publication of the preliminary results notice.

This extension is in accordance with section 751(a)(3)(A) of the Act.

Dated: March 11, 2003.
