

5. Implement and maintain an automated system to provide ongoing status of each survey respondent, complete documentation, and an inventory of follow-up communication and procedures for each case. This automated tracking system should remain current and be accessible to the BJS project monitor at all times.

6. Identify techniques necessary to achieve a 90 percent or greater survey response rate. Response rates for previous LEMAS surveys have ranged from 92.6 percent to 97.8 percent.

7. Identify techniques necessary to achieve a 90 percent or greater survey item response rate. The data collection agent will have routine contact with the agencies and must be knowledgeable about the content of the instrument.

8. Deliver to BJS electronic versions of the survey data, and documentation on diskette and in ASCII file format. Survey documentation should include, but is not limited to, a comprehensive codebook detailing variable positions, data coding, variable and value labels, any recoding implemented during the data cleaning process, and copies of all program code used to generate data or published statistics. All data generated by this project belongs to BJS. Publication, presentation, or dissemination of the data in any form, prior to official release by BJS, is prohibited. All data and documentation from this survey will be accessible through the BJS website, and the data will be archived at the Inter-University Consortium for Political and Social Research (ICPSR).

Award Procedures and Evaluation Criteria

Proposals should describe the plan and implementation strategies outlined in the Scope of Work. Information on staffing levels and qualifications should be included for each task, as well as descriptions of experience relevant to the project. Resumes of the proposed project director and key staff should be enclosed with the proposal.

Applications will be reviewed competitively with the final award decision made by the Director of BJS. The applicant will be evaluated on the basis of:

1. Demonstrated knowledge of applied survey research, including survey construction, interview techniques, data collection, data coding, entry and verification, and the production of public use data files. This includes availability of an adequate computing environment, knowledge of standard social science data processing software, and demonstrated ability to

produce SPSS readable data files for analysis and report production.

2. Demonstrated ability and experience in collecting data from law enforcement agencies or similar entities.

3. Demonstrated fiscal, management, staff, and organizational capacity to provide sound management for this project. Applicant should include detailed staff resources and other costs by project tasks.

Application and Award Process

An original and two (2) copies of the full proposal must be submitted including:

- Standard Form 424, Application for Federal Assistance.
- OJP Form 7150/1, Budget Detail Worksheet.
- OJP Form 4000/3, Program Narrative and Assurances.
- OJP Form 4061/6, Certification regarding Lobbying, Debarment, Suspension, and Other Responsibility Matters; Drug Free Workplace requirements.
- OJP Form 7120-1, Accounting System and Financial Capability Questionnaire (to be submitted by applicants who have not previously received Federal Funds from the Office of Justice Programs).

These forms can be obtained online from <http://www.ojp.usdoj.gov/forms.htm>.

In addition, fund recipients are required to comply with regulations designed to protect human subjects and ensure confidentiality of data. In accordance with 28 CFR part 22, a Privacy Certificate must be submitted to BJS. Furthermore, a Screening Sheet for Protection of Human Subjects must be completed prior to the award being issued. Questions regarding Protection of Human Subjects and/or Privacy Certificate requirements can be directed to the Human Subjects Protection Officer (HSPO) at (202) 616-3282 (This is not a toll free number).

Proposals must include a project description and detailed budget. The project narrative should describe activities as discussed in the Scope of Work and address the evaluation criteria. The project narrative should contain a detailed timeline for project activities, a description of the survey methodology to be used, including defined geographic boundaries, data collection method, data entry, and data documentation procedures. The detailed budget must provide detailed costs, including salaries of staff involved in the project and the portion of those salaries to be paid from the award, fringe benefits paid to each staff person, travel costs, supplies required for the

project, sub-contractual agreements, and other allowable costs. The grant will be made for a period of 12 months.

Dated: April 4, 2003.

Notice of Determinations Regarding Eligibility To Apply for Worker Adjustment Assistance and NAFTA Transitional Adjustment Assistance

In accordance with section 223 of the Trade Act of 1974, as amended, the Department of Labor herein presents summaries of determinations regarding eligibility to apply for trade adjustment assistance for workers (TA-W) issued during the period of March and April 2003.

In order for an affirmative determination to be made and a certification of eligibility to apply for

worker adjustment assistance to be issued, each of the group eligibility requirements of section 222 of the Act must be met.

(1) That a significant number or proportion of the workers in the workers' firm, or an appropriate subdivision thereof, have become totally or partially separated, or are threatened to become totally or partially separated; and

(2) That sales or production, or both, of the firm or sub-division have decreased absolutely, and

(3) That increases of imports of articles like or directly competitive with articles produced by the firm or appropriate subdivision have contributed importantly to the separations, or threat thereof, and to the absolute decline in sales or production of such firm or subdivision.

Negative Determinations for Worker Adjustment Assistance

In each of the following cases the investigation revealed that criterion (3) has not been met. A survey of customers indicated that increased imports did not contribute importantly to worker separations at the firm.

TA-W-41,765; Regal Plastics, LLC, Roseville, MI

In the following case, the investigation revealed that the criteria for eligibility have not been met for the reasons specified.

The investigation revealed that criterion (a)(2)(A) (I.B) (No sales or production decline and (a)(2)(B) (II.B) (No shift in production to a foreign country) have not been met.

TA-W-51,313; Fishing Vessel (F/V) Nanesse, Skagway, AK
TA-W-51,107; Halex/Scott Fetzer Co., Bedford Heights, OH

The investigation revealed that criteria (b)(3) has not been met. The workers' firm (or subdivision) is not an supplier or downstream producer to a firm (or subdivision) for trade-affected companies.

TA-W-51,080; H and L Tool Co., Erie, PA

The investigation revealed that criterion (a)(2)(A) (I.C.) (Increased imports) and (a) (2)(B) (II.B) (No shift in production to a foreign country) have not been met.

TA-W-50,836; Fishing Vessel (F/V) The Fox, Metlakatla, AK
TA-W-50,429; Universal Electronics, Inc., Menomonee Falls, WI
TA-W-50,496; U.S. Manufacturing Corp., Fraser, MI
TA-W-50,810; Deltech Polymers Corp., Troy, OH
