

enactment of this Act in passenger security and air carrier security fees to TSA. Prior to remittance of these funds, the Act requires TSA to enter into an executive compensation agreement with certain carriers as defined by the statute. To ascertain which carriers are required to enter into the compensation agreement, TSA is requesting that the airlines certify whether they are bound by statutory requirements, as each carrier is in the best position to know its own situation. TSA is therefore requiring each carrier to certify that funds were allocated appropriately and prepare a report detailing this information.

Number of Respondents: 70.

Estimated Annual Burden Hours: It is estimated that this certification and report will take 8 hours for each carrier to prepare, for a total burden of 560 hours.

TSA is soliciting comments to—

(1) Evaluate whether the proposed information requirement is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;

(2) Evaluate the accuracy of the agency's estimate of the burden;

(3) Enhance the quality, utility, and clarity of the information to be collected; and

(4) Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology.

Issued in Arlington, Virginia, on May 8, 2003.

Susan T. Tracey,

Deputy Chief Administrative Officer.

Title of Proposal: Multifamily Housing Service Coordinator Program.

OMB Control Number, if applicable: 2502-0447.

Description of the need for the information and proposed use: HUD evaluates the grant applications (SF-424 and related documents) for the need and proposed use of grant funds and owners' ability to administer awarded funds of the Multifamily Housing Service Coordinator Program. HUD staff will use requests for extensions to evaluate anticipated program costs and the continued need for the program. The semi-annual Performance Reports will be used to determine how well grant funds met stated program goals. Grantees will also be able to retain data on the effectiveness of the program and how well the public was served. The Payment Voucher is used to monitor grant funds for eligible costs over the term of the grant, and the grantee may similarly use this voucher to track and record their requests for payment reimbursement for grant-funded expenses.
