Science Advisory Board; Notification of Public Advisory Committee Meeting; Executive Committee Teleconference

AGENCY: Environmental Protection Agency (EPA).

ACTION: Notice.

SUMMARY: The Environmental Protection Agency (EPA), Science Advisory Board (SAB) Executive Committee (EC), a Federal Advisory Committee, will hold a public teleconference meeting on the date and time given below to consider potential self-initiated projects for FY2004.

DATES: The conference call meeting will take place June 10, 2003 from 11 a.m. to 2 p.m. (EST). Requests for oral comments, as well as submission of written comments must be received by June 4, 2003. Please see further details below.

ADDRESSES: The conference call will take place via telephone only.

FOR FURTHER INFORMATION CONTACT: Any member of the public wishing further information concerning this meeting or wishing to submit comments must contact Mr. A. Robert Flaak, Acting Deputy Director and Designated Federal Officer, EPA Science Advisory Board; Telephone (202) 564-4546; Fax (202) 501-0582; or via e-mail at flaak.robert@epa.gov.

To pre-register for the teleconference and obtain the phone number and access code, please contact Ms. Betty Fortune, EPA Science Advisory Board; Telephone (202) 564-4533, Fax (202) 501-0323; or via e-mail at fortune.betty@epa.gov.

General information about the EPA Science Advisory Board, may be found on the SAB Web site (<http://www.epa.gov/sab>).

SUPPLEMENTARY INFORMATION:

1. *Summary:* Pursuant to the Federal Advisory Committee Act, Public Law 92-463, notice is hereby given that the Executive Committee (EC) of the U.S. EPA Science Advisory Board (SAB) will hold a public teleconference meeting to conduct an initial screening of proposed self-initiated projects for FY2004. These projects, along with projects submitted by the Agency, will be considered further by the Executive Committee at a meeting scheduled for July 16-17, 2003, and will be used to establish the SAB's Operating Plan for FY2004.

Self-initiated projects are scientific and technical projects developed by committees of the Board for review or

consideration, with any advice developed subsequently forwarded to the Agency. Self-initiated projects are proposed outside of the normal mechanism of Agency requested consultations, advisories, and peer reviews, and typically address critical needs for anticipatory or cross-cutting scientific/technical advice. In an average year, the Board conducts a small number of self-initiated projects.

The interested public may attend this teleconference meeting through a telephonic link, to the extent that lines are available. Pre-registration is necessary. Additional instructions about how to participate in the conference are given above.

2. *Requests for Comment:* Requests for oral comments must be *in writing* (e-mail, fax or mail) and received by Mr. Flaak no later than noon Eastern Standard Time on June 4, 2003. Written comments should also be sent to Mr. Flaak prior to the meeting. Submission of written comments by e-mail to Mr. Flaak will maximize the time available for review by the EC.

3. *Availability of Review Materials:* Descriptions of these self-initiated projects will be available on the SAB Web site no later than June 2, 2003, at (<http://www.epa.gov/sab/whatsnew.htm>).

4. *General Guidance on Providing Oral or Written Comments at SAB Meetings:* It is the policy of the EPA Science Advisory Board to accept written public comments of any length, and to accommodate oral public comments whenever possible. The EPA Science Advisory Board expects that public statements presented at its meetings will not be repetitive of previously submitted oral or written statements. *Oral Comments:* In general, each individual or group requesting an oral presentation at a face-to-face meeting will be limited to a total time of ten minutes (unless otherwise indicated above). For teleconference meetings, opportunities for oral comment will usually be limited to no more than three minutes per speaker and no more than fifteen minutes total. Deadlines for getting on the public speaker list for a meeting are given above. Speakers should bring at least 35 copies of their comments and presentation slides for distribution to the reviewers and public at the face-to-face meetings. *Written Comments:* Although the SAB accepts written comments until the date of the meeting (unless otherwise stated), written comments should be received in the SAB Staff Office at least one week prior to the meeting date so that the comments may be made available to the

committee for their consideration. Comments should be supplied to the appropriate DFO at the address/contact information noted above in the following formats: One hard copy with original signature, and one electronic copy via e-mail (acceptable file format: WordPerfect, Word, or Rich Text files (in IBM-PC/Windows 95/98 format). Those providing written comments and who attend face-to-face meeting are also asked to bring 35 copies of their comments for public distribution.

Dated: May 16, 2003.

Vanessa T. Vu,

Director, EPA Science Advisory Board Staff Office.

MGK® Repellent 326 Risk Assessments; Notice of Availability

AGENCY: Environmental Protection Agency (EPA).

ACTION: Notice.

SUMMARY: This notice announces the availability of documents that were developed as part of EPA's process for making pesticide reregistration eligibility decisions and tolerance reassessments consistent with the Federal Food, Drug, and Cosmetic Act (FFDCA), as amended by the Food Quality Protection Act (FQPA) of 1996. These documents are the human health, and environmental fate and effects risk assessments, and related documents for MGK® Repellent 326. Additionally, this notice starts a 60-day public comment period, during which the public is encouraged to provide information to help refine the risk assessments and submit risk management proposals for MGK® Repellent 326. Comments are to be limited to issues directly associated with MGK® Repellent 326 and raised by the risk assessment or other documents placed in the docket. By allowing access and opportunity for comment on the risk assessments, EPA is seeking to strengthen stakeholder involvement, and help ensure that decisions under FQPA are transparent and based on the best available information.

DATES: Comments, identified by the docket ID number OPP-2003-0123 for MGK® Repellent 326, must be received on or before July 22, 2003.

ADDRESSES: Comments may be submitted electronically, by mail, or through hand delivery/courier. Follow

the detailed instructions as provided in Unit I. of the **SUPPLEMENTARY INFORMATION.**

SUPPLEMENTARY INFORMATION:

I. General Information

A. Does this Action Apply to Me?

This action is directed to the public in general. This action may, however, be of interest to persons who are or may be required to conduct testing of chemical substances under the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA) or the FFDCA; environmental, human health, and agricultural advocates; pesticide users; and the public interested in the use of pesticides. Since other entities may also be interested, the Agency has not attempted to describe all the specific entities that may be affected by this action. If you have any questions regarding the applicability of this action to a particular entity, consult the person listed under **FOR FURTHER INFORMATION CONTACT.**

B. How Can I Get Copies of this Document and Other Related Information?

1. *Docket.* EPA has established an official public docket for this action under docket identification (ID) number OPP-2003-123. The official public docket consists of the documents specifically referenced in this action, any public comments received, and other information related to this action. Although a part of the official docket, the public docket does not include Confidential Business Information (CBI) or other information whose disclosure is restricted by statute. The official public docket is the collection of materials that is available for public viewing at the Public Information and Records Integrity Branch (PIRIB), Rm. 119, Crystal Mall #2, 1921 Jefferson Davis Hwy., Arlington, VA. This docket facility is open from 8:30 a.m. to 4 p.m., Monday through Friday, excluding legal holidays. The docket telephone number is (703) 305-5805.

2. *Electronic access.* You may access this **Federal Register** document electronically through the EPA Internet under the **Federal Register** listings at <http://www.epa.gov/fedrgstr/>.

An electronic version of the public docket is available through EPA's electronic public docket and comment system, EPA Dockets. You may use EPA Dockets at <http://www.epa.gov/edocket/> to submit or view public comments, access the index listing of the contents of the official public docket, and to access those documents in the public docket that are available electronically. Once in the system, select "search," then key in the appropriate docket ID number.

Certain types of information will not be placed in the EPA Dockets. Information claimed as CBI and other information whose disclosure is restricted by statute, which is not included in the official public docket, will not be available for public viewing in EPA's electronic public docket. EPA's policy is that copyrighted material will not be placed in EPA's electronic public docket, but will be available only in printed, paper form in the official public docket. To the extent feasible, publicly available docket materials will be made available in EPA's electronic public docket. When a document is selected from the index list in EPA Dockets, the system will identify whether the document is available for viewing in EPA's electronic public docket. Although not all docket materials may be available electronically, you may still access any of the publicly available docket materials through the docket facility identified in Unit I.B. EPA intends to work towards providing electronic access to all of the publicly available docket materials through EPA's electronic public docket.

For public commenters, it is important to note that EPA's policy is that public comments, whether submitted electronically or in paper, will be made available for public viewing in EPA's electronic public docket as EPA receives them and without change, unless the comment contains copyrighted material, CBI, or other information whose disclosure is restricted by statute. When EPA identifies a comment containing copyrighted material, EPA will provide a reference to that material in the version of the comment that is placed in EPA's electronic public docket. The entire printed comment, including the copyrighted material, will be available in the public docket.

Public comments submitted on computer disks that are mailed or delivered to the docket will be transferred to EPA's electronic public docket. Public comments that are mailed or delivered to the docket will be scanned and placed in EPA's electronic public docket. Where practical, physical
