SUPPLEMENTARY INFORMATION: Section 3506 of the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35) requires that the Office of Management and Budget (OMB) provide interested Federal agencies and the public an early opportunity to comment on information collection requests. OMB may amend or waive the requirement for public consultation to the extent that public participation in the approval process would defeat the purpose of the information collection, violate State or Federal law, or substantially interfere with any agency's ability to perform its statutory obligations. The Acting Leader, Regulatory Information Management Group, Office of the Chief Information Officer, publishes that notice containing proposed information collection requests prior to submission of these requests to OMB. Each proposed information collection, grouped by office, contains the following: (1) Type of review requested, e.g. new, revision, extension, existing or reinstatement; (2) Title; (3) Summary of the collection; (4) Description of the need for, and proposed use of, the information; (5) Respondents and frequency of collection; and (6) Reporting and/or Recordkeeping burden. OMB invites public comment.

AGENCY: Office of Elementary and Secondary Education, Department of Education.

ACTION: Notice soliciting recommendations for membership of the Native Hawaiian Education Council and on the criteria for selecting members.

SUMMARY: We are soliciting recommendations regarding whom the Secretary of Education should appoint to the Native Hawaiian Education Council and the criteria that should be used in selecting members of the Council.

SUPPLEMENTARY INFORMATION: *General:* Section 7204 of the Elementary and Secondary Education Act of 1965 (ESEA), as amended by the No Child Left Behind Act of 2001 (Pub. The Council will be responsible for assessing

the extent to which these services and programs meet the needs of Native Hawaiians, and for collecting data on the status of Native Hawaiian education. In addition, the Council will provide direction and guidance to Federal, State, and local agencies to improve the use of resources relating to Native Hawaiian education, and will serve in an advisory capacity, where appropriate. The Council will also provide administrative support and financial assistance to any individual island councils established under the statute to address their distinct needs.

The legislation states that the Native Hawaiian Education Council may consist of no more than twenty-one members, unless otherwise determined by a majority of the Council. Furthermore, the legislation provides that at least ten members of the Education Council must be providers of Native Hawaiian education services and ten members must be Native Hawaiians or Native Hawaiian education consumers. In addition, membership must include a representative of the State of Hawaii Office of Hawaiian Affairs. The Secretary of Education will appoint members of the Native Hawaiian Education Council based on recommendations he receives from the Native Hawaiian community.
