DEPARTMENT OF STATE

[Public Notice 4465]

Bureau of Political-Military Affairs; Statutory Debarment Under the International Traffic in Arms Regulations

AGENCY: Department of State.

ACTION: Notice.

SUMMARY: Notice is hereby given that the Department of State has imposed statutory debarment pursuant to section 127.7(c) of the International Traffic in Arms Regulations ("ITAR") (22 CFR 120 to 130) on persons convicted of violating or conspiring to violate section 38 of the Arms Export Control Act ("AECA") (22 U.S.C. 2778).

EFFECTIVE DATE: Date of conviction as specified for each person.

FOR FURTHER INFORMATION CONTACT: David Trimble, Director, Office of Defense Trade Controls Compliance, Bureau of Political-Military Affairs, Department of State (202) 633-2700.

SUPPLEMENTARY INFORMATION: Section 38(g)(4) of the AECA, 22 U.S.C. 2778, prohibits licenses and other approvals for the export of defense articles or defense services to be issued to a person, or any party to the export, who has been convicted of violating certain U.S. criminal statutes, including the AECA.

In implementing this section of the AECA, the Assistant Secretary of State for Political-Military Affairs is authorized by section 127.7 of the ITAR to prohibit any person who has been convicted of violating or conspiring to violate the AECA from participating directly or indirectly in the export of defense articles, including technical data or in the furnishing of defense services for which a license or approval is required. This prohibition is referred to as "statutory debarment."

Statutory debarment is based solely upon conviction in a criminal proceeding, conducted by a court of the United States, and as such the administrative debarment proceedings outlined in part 128 of the ITAR are not applicable.

The period for debarment will be determined by the Assistant Secretary of State for Political-Military Affairs based upon the underlying nature of the

violations, but will normally be three years from the date of conviction. Please note however, that unless licensing privileges are reinstated, the person/entity will remain debarred. At the end of the debarment period, licensing privileges may be reinstated only at the request of the debarred person following the necessary interagency consultations, after a thorough review of the circumstances surrounding the conviction, and a finding that appropriate steps have been taken to mitigate any law enforcement concerns, as required by section 38(g)(4) of the AECA and in accordance with section 127.11(b) of the ITAR.

Department of State policy permits debarred persons to apply to the Director of the Office of Defense Trade Controls Compliance for an exception from the period of debarment, in accordance with section 38(g)(4) of the AECA and section 127.11(b) of the ITAR. Any decision to grant an exception can be made only after the statutory requirements under section 38(g)(4) of the AECA have been satisfied. If the exception is granted, the debarment will be suspended.

Debarred persons are generally ineligible to participate in activity regulated under the ITAR (*see e.g.*, sections 120.1(c) and (d), 126.7, 127.1(c), and 127.11(a)). The Department of State will not consider applications for licenses or requests for approvals that involve any person or any party to the export who has been convicted of violating or conspiring to violate the AECA during the period of statutory debarment. Persons who have been statutorily debarred may appeal to the Under Secretary for Arms Control and International Security for reconsideration of the ineligibility determination. A request for reconsideration must be submitted in writing within 30 days after a person has been informed of the adverse decision, in accordance with 22 CFR 127.7(d).
