Description: The Administration for Children and Families (ACF) has more than 40 discretionary grant programs. The proposed information collection form would be a uniform discretionary application form usable for all of these grant programs to collect the information from grant applicants needed to evaluate and rank applicants and protect the integrity of the grantee selection process. All ACF discretionary grant programs would be eligible but not required to use this application form.

The application consists of general information and instructions; the Standard Form 424 series that requests basic information, budget information and assurances; the Program Narrative requesting the applicant to describe how these objectives will be reached; and certifications. Guidance for the content of information requested in the Program Narrative is found in OMB Circulars A-102 and A-110.

Respondents: Applicants for ACF Discretionary Grant Programs.

Title: Child Care and Development Fund Quarterly Financial Report (ACF-696).

OMB No.: 0970-0163.

Description: States and territories use this form to facilitate the reporting of expenditures for the Child Care and Development Fund (CCDF) on a quarterly basis. The form provides specific data regarding expenditures, obligations, and estimates. This form may also be used to prepare ACF budget submissions to Congress. This information collection currently uses form ACF-696, for which Office of Management and Budget approval expires on December 31, 2003, updated for electronic submission.

Respondents: States and Territories that are CCDF grantees.
