#### Certain Hot-Rolled Carbon Steel Flat Products from the Netherlands; Antidumping Duty Administrative Review; Extension of Time Limit

**AGENCY:** Import Administration, International Trade Administration, Department of Commerce.

**SUMMARY:** The Department of Commerce (the Department) is extending the time limit for the final results of the 2001-

2002 administrative review of the antidumping duty order on certain hot-rolled carbon steel flat products from the Netherlands. This review covers one manufacturer/exporter of the subject merchandise to the United States and the period May 3, 2001 through October 31, 2002.

**EFFECTIVE DATE:** February 12, 2004.

#### FOR FURTHER INFORMATION CONTACT:

Deborah Scott at (202) 482-2657 or Robert James at (202) 482-0649, Antidumping and Countervailing Duty Enforcement Group III, Office Eight, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue NW, Washington, DC 20230.

#### SUPPLEMENTARY INFORMATION:

On December 8, 2003, we published the preliminary results of the administrative review of the antidumping duty order on certain hot-rolled carbon steel flat products from the Netherlands for the period May 3, 2001 through October 31, 2002. See *Certain Hot-Rolled Carbon Steel Flat Products from the Netherlands; Preliminary Results of Antidumping Duty Administrative Review*, 68 FR 68341 (December 8, 2003). Pursuant to the time limits for administrative reviews set forth in section 751(a)(3)(A) of the Tariff Act of 1930, as amended (the Tariff Act), currently the final results of this administrative review are due on April 6, 2004. The Department, however, may extend the deadline for completion of the final results of a review if it determines it is not practicable to complete the final results within the statutory time limit. See 751(a)(3)(A) of the Tariff Act and section 351.213(h)(2) of the Department's regulations. In this case the Department has determined it is not practicable to complete this review within the statutory time limit because of significant issues which require additional time to evaluate. These include: treatment of section 201 tariffs; treatment of entries made during the period October 30, 2001 through November 28, 2001 ("gap period") in the margin calculation; and the calculation of various components of the cost of production (e.g., cost of manufacture and general and administrative expenses). Therefore, the Department is extending the time limit for completion of the final results until June 5, 2004 in accordance with section 751(a)(3)(A) of the Tariff Act.

Dated: February 5, 2004.

**Barbara E. Tillman,**

*Acting Deputy Assistant Secretary for Import Administration, Group III.*

#### Certain Non-Frozen Apple Juice Concentrate From the People's Republic of China: Amended Final Results of New Shipper Review

**AGENCY:** Import Administration, International Trade Administration, Department of Commerce.

**ACTION:** Notice of amended final results of new shipper review.

**SUMMARY:** On December 16, 2003, the Department of Commerce announced the final results of the administrative review of the antidumping duty order on non-frozen apple juice concentrate, from the People's Republic of China for the period June 1, 2002, through November 30, 2002. These final results were published in the **Federal Register** on December 22, 2003.

On December 22, 2003, Yantai Golden Tide Fruits & Vegetable Food Company filed allegations of ministerial errors. Based on these allegations, we made changes to the margin calculation of Yantai Golden Tide Fruits & Vegetable Food Company. The final weighted-average dumping margin for this company is listed below in the section entitled "Amended Final Results."

**EFFECTIVE DATE:** February 12, 2004.

**FOR FURTHER INFORMATION CONTACT:** Audrey Twyman or Stephen Cho, Group 1, Office I, Antidumping/Countervailing Duty Enforcement, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230; telephone (202) 482-3534 and (202) 482-3798, respectively.

#### Background

On December 22, 2003, the Department of Commerce ("the Department") published the final results in this administrative review. See *Certain Non-Frozen Apple Juice Concentrate From the People's Republic of China: Final Results of New Shipper Review*, 68 FR 71065 (December 22, 2003) ("Final Results"). The period of review is June 1, 2002, through November 30, 2002.

On December 22, 2003, we received ministerial error allegations, filed pursuant to section 751(h) of the Tariff Act of 1930, as amended, ("the Act") and 19 CFR 351.224(c)(2), from Yantai Golden Tide Fruits & Vegetable Food Company ("Golden Tide") regarding the Department's final margin calculation. Golden Tide requested that we correct the errors and publish a notice of amended final results in the **Federal Register**, pursuant to section 751(h) of the Act, and 19 CFR 351.224(e).

#### Scope of Review

The product covered by this order is certain non-frozen apple juice concentrate ("AJC"). Certain AJC is defined as all non-frozen concentrated apple juice with a Brix scale of 40 or greater, whether or not containing added sugar or other sweetening matter, and whether or not fortified with vitamins or minerals. Excluded from the scope of this order are: frozen concentrated apple juice; non-frozen concentrated apple juice that has been fermented; and non-frozen concentrated apple juice to which spirits have been added.

The merchandise subject to this order is classified in the *Harmonized Tariff Schedule of the United States* ("HTSUS") at subheadings 2106.90.52.00, and 2009.70.00.20 before January 1, 2002, and 2009.79.00.20 after January 1, 2002. Although the HTSUS subheadings are provided for convenience and customs purposes, the written description of the scope of the order is dispositive.

#### Amended Final Results

In its ministerial allegations, Golden Tide disagrees with the Department's calculations of the financial ratios, points out an inconsistency in the margin calculation program, and argues that the Department is double counting an expense in ocean freight and brokerage and handling. After analyzing the record of this review, we have determined, in accordance with section 771(h) of the Act and 19 CFR 351.224, that we made a ministerial error in the margin calculation program for Golden Tide. We do not agree that we made a ministerial error in the calculation of the financial ratios, or ocean freight and brokerage and handling. For a detailed discussion of the ministerial error allegations and the Department's analysis, see February 6, 2004 memorandum from team to Jeffrey May, through Susan H. Kubbach entitled "Ministerial Error Allegation," which is on file in the Department's Central Records Unit located in the main Commerce building in Room B-099.

Therefore, in accordance with section 751(h) of the Act, and 19 CFR 351.224(e) we are amending the *Final Results* of AJC from the People's Republic of China ("PRC") to reflect the corrections noted above. Based on these revisions, we determine that the following weighted-average dumping margin exists for the period June 1, 2002, through November 30, 2002:

Exporter/manufacturer	Revised weighted-average margin percentage
Yantai Golden Tide Fruit & Vegetable Food Company	6.34

#### Cash Deposit Rates

Bonding will no longer be permitted to fulfill security requirements for shipments from Golden Tide of non-frozen apple juice concentrate from the PRC entered, or withdrawn from warehouse, for consumption on or after the publication date of the amended final results of this new shipper review.

The following deposit rates will be effective upon publication of these amended final results for all shipments of AJC from the PRC entered, or withdrawn from warehouse, for consumption on or after the publication date of this notice, as provided for by section 751(a)(1) and (a)(2)(B) of the Act: (1) The cash deposit rate for Golden Tide (*i.e.*, for subject merchandise manufactured and exported by Golden Tide) will be the rate indicated above; (2) the cash deposit rate for PRC exporters who received a separate rate in a prior segment of the proceeding will continue to be the rate assigned in that segment of the proceeding; (3) the cash deposit rate for the PRC NME entity and for subject merchandise exported by Golden Tide but not manufactured by them will continue to be the PRC-wide rate (*i.e.*, 51.74 percent); and (4) the cash deposit rate for non-PRC exporters of subject merchandise from the PRC will be the rate applicable to the PRC exporter that supplied that exporter. These deposit requirements shall remain in effect until publication of the final results of the next administrative review.

#### Assessment Rates

The Department will issue appropriate assessment instructions directly to U.S. Customs and Border Protection within 15 days of publication of these amended final results of review.

This determination is issued and published in accordance with sections 751(a)(1) and 777(i) of the Act.
