Title: Insurance Income of a Controlled Foreign Corporation for Taxable Years Beginning After December 31, 1986.

OMB Number: 1545-1142.

Regulation Project Number: INTL-939-86.

Abstract: This regulation relates to the definition and computation of the insurance income of a controlled foreign corporation, and it also contains rules applicable to certain captive insurance companies. The information collection is required by the IRS in order for taxpayers to elect to locate risks with respect to moveable property by reference to the location of the property in a prior period; to allocate investment income to a particular category of insurance income; to allocate deductions to a particular category of insurance income; to determine the amount of those items, such as reserves, which are computed with reference to an insurance company's annual statement; to elect to have related person insurance income treated as income effectively connected with the conduct of a United States trade or business; and to collect the information required by Code section 6046 relating to controlled foreign corporations as defined in Code section 953(c).

Current Actions: There is no change to this existing regulation.

Type of Review: Extension of a currently approved collection.

Affected Public: Business or other for-profit organizations.

Estimated Number of Respondents/Recordkeepers: 500.

Estimated Time Per Respondent/Recordkeeper: 28 hr., 12 min.

Estimated Total Annual Burden Hours: 14,100.
