FOR FURTHER INFORMATION CONTACT:

Jenny M. Johansen, Nuclear Materials Safety Branch 2, Division of Nuclear Materials Safety, Region I, 475 Allendale Road, King of Prussia, Pennsylvania, 19406, telephone (610) 337-5071, fax (610) 337-5269; or by e-mail: jmj@nrc.gov.

SUPPLEMENTARY INFORMATION:

I. Introduction

The Nuclear Regulatory Commission (NRC) is considering the issuance of a license amendment to Fujirebio Diagnostics, Inc. for Materials License

No. 37-30487-01, to authorize release of its facility in Malvern, Pennsylvania for unrestricted use. NRC has prepared an Environmental Assessment (EA) in support of this action in accordance with the requirements of 10 CFR part 51. Based on the EA, the NRC has concluded that a Finding of No Significant Impact (FONSI) is appropriate. The amendment will be issued following the publication of this notice.

II. EA Summary

The purpose of the proposed action is to authorize the release of the licensee's Malvern, Pennsylvania facility for unrestricted use. Fujirebio Diagnostics, Inc. was authorized by NRC from December 30, 1998, to use radioactive materials for research and development, manufacturing and distribution, and calibration purposes at the site. On April 19, 2004, Fujirebio Diagnostics, Inc. requested that NRC release the facility for unrestricted use. Fujirebio Diagnostics, Inc. has conducted surveys of the facility and determined that the facility meets the license termination criteria in subpart E of 10 CFR part 20. The NRC staff has prepared an EA.

III. Finding of No Significant Impact

The staff has prepared the EA (summarized above) in support of the proposed license amendment to release the facility for unrestricted use. The NRC staff has evaluated Fujirebio Diagnostics, Inc.'s request and the results of the surveys and has concluded that the completed action complies with the criteria in subpart E of 10 CFR part 20. The staff has found that the environmental impacts from the proposed action are bounded by the impacts evaluated by the "Generic Environmental Impact Statement in Support of Rulemaking on Radiological Criteria for License Termination of NRC-Licensed Facilities" (NUREG-1496). The staff has also found the non-radiological impacts are not significant. On the basis of the EA, the NRC has concluded that the environmental impacts from the proposed action are expected to be insignificant and has determined not to prepare an environmental impact statement for the proposed action.

IV. Further Information

The EA and the documents related to this proposed action, including the application for the license amendment and supporting documentation, are available for inspection at NRC's Public Electronic Reading Room at <http://www.nrc.gov/reading-rm/adams.html> (ADAMS Accession Nos. ML041250426,

Chapter XXVII—Listed Securities—Requirements

Sec. 1-9. no change
Sec. 10. Corporate Governance

A. no change

[B. (Reserved for Future Rules Relating to Corporate Governance Standards)]

B.1. Definitions

(a) For purposes of this Section 10.B., unless the context requires otherwise:

(1) "Family Member" means a person's spouse, parents, children and siblings, whether by blood, marriage or adoption, or anyone residing in such person's home.

(2) "Independent director" means a person other than an officer or employee of the company or its subsidiaries or any other individual having a relationship, which, in the opinion of the company's board of directors, would interfere with the exercise of independent judgment in carrying out the responsibilities of a director. The following persons shall not be considered independent:

(A) a director who is, or at any time during the past three years was, employed by the company or by any parent or subsidiary of the company;

(B) a director who accepted or who has a Family Member who accepted any payments from the company or any parent or subsidiary of the company in excess of \$60,000 during the current or any of the past three fiscal years, other than the following:

(i) compensation for board or board committee service;

(ii) payments arising solely from investments in the company's securities;

(iii) compensation paid to a Family Member who is a non-executive employee of the company or a parent or subsidiary of the company;

(iv) benefits under a tax-qualified retirement plan, or non-discretionary compensation; or

(v) loans permitted under Section 13(k) of the Act. Provided, however, that audit committee members are subject to additional, more stringent requirements under paragraph 2(c) of this Section 10.B.

(C) a director who is a Family Member of an individual who is, or at any time during the past three years was, employed by the company or by any

parent or subsidiary of the company as an executive officer;

(D) a director who is, or has a Family Member who is, a partner in, or a controlling shareholder or an executive officer of, any organization to which the company made, or from which the company received, payments for property or services in the current or any of the past three fiscal years that exceed 5% of the recipient's consolidated gross revenues for that year, or \$200,000 (\$1 million if the listed company is also listed on the New York Stock Exchange), whichever is more, other than the following:

(i) payments arising solely from investments in the company's securities; or

(ii) payments under non-discretionary charitable contribution matching programs.

(E) a director of the listed company who is, or has a Family Member who is, employed as an executive officer of another entity where at any time during the past three years any of the executive officers of the listed company serve on the compensation committee of such other entity; or

(F) a director who is, or has a Family Member who is, a current partner of the company's outside auditor, or was a partner or employee of the company's outside auditor who worked on the company's audit at any time during any of the past three years.

(G) In the case of an investment company, in lieu of paragraphs (A)-(F), a director who is an "interested person" of the company as defined in section 2(a)(19) of the Investment Company Act of 1940, other than in his or her capacity as a member of the board of directors or any board committee.

Interpretive Material

It is important for investors to have confidence that individuals serving as independent directors do not have a relationship with the listed company that would impair their independence. The board has a responsibility to make an affirmative determination that no such relationships exist through the application of Section 10.B.1. Section 10.B.1. also provides a list of certain relationships that preclude a board finding of independence. These objective measures provide transparency to investors and companies, facilitate uniform application of the rules, and ease administration. Because the Exchange does not believe that ownership of company stock by itself would preclude a board finding of independence, it is not included in the aforementioned objective factors. It should be noted that
