RIN 2127-AJ29

Insurer Reporting Requirements; List of Insurers Required To File Reports

AGENCY: National Highway Traffic Safety Administration (NHTSA), Department of Transportation (DOT).

ACTION: Final rule.

SUMMARY: This final rule updates Appendices A and C of 49 CFR Part 544, insurer reporting requirements. The appendices list those passenger motor vehicle insurers that are required to file reports on their motor vehicle theft loss experiences. An insurer included in any of these appendices must file three copies of its report for the 2001 calendar year before October 25, 2004.

DATES: This final rule becomes effective on July 13, 2004. Insurers listed in the appendices are required to submit reports before October 25, 2004.

FOR FURTHER INFORMATION CONTACT: Ms. Carlita Ballard, Office of International Policy, Fuel Economy and Consumer Programs, NHTSA, 400 Seventh Street, SW., Washington, DC 20590. Ms. Ballard's telephone number is (202) 366-0846. Her fax number is (202) 493-2290.

SUPPLEMENTARY INFORMATION:

Background

Pursuant to 49 U.S.C. 33112, Insurer reports and information, NHTSA requires certain passenger motor vehicle insurers to file an annual report with the agency. Each insurer's report includes information about thefts and recoveries of motor vehicles, the rating rules used by the insurer to establish premiums for comprehensive coverage, the actions taken by the insurer to reduce such premiums, and the actions taken by the insurer to reduce or deter theft. Under the agency's regulation, 49 CFR Part 544, the following insurers are subject to the reporting requirements: (1) Those issuers of motor vehicle insurance

policies whose total premiums account for 1 percent or more of the total premiums of motor vehicle insurance issued within the United States; (2) those issuers of motor vehicle insurance policies whose premiums account for 10 percent or more of total premiums written within any one state; and (3) rental and leasing companies with a fleet of 20 or more vehicles not covered by theft insurance policies issued by insurers of motor vehicles, other than any governmental entity.

Pursuant to its statutory exemption authority, the agency exempted certain passenger motor vehicle insurers from the reporting requirements.

A. Small Insurers of Passenger Motor Vehicles

Section 33112(f)(2) provides that the agency shall exempt small insurers of passenger motor vehicles if NHTSA finds that such exemptions will not significantly affect the validity or usefulness of the information in the reports, either nationally or on a state-by-state basis. The term "small insurer" is defined, in Section 33112(f)(1)(A) and (B), as an insurer whose premiums for motor vehicle insurance issued directly or through an affiliate, including pooling arrangements established under state law or regulation for the issuance of motor vehicle insurance, account for less than 1 percent of the total premiums for all forms of motor vehicle insurance issued by insurers within the United States. However, that section also stipulates that if an insurance company satisfies this definition of a "small insurer," but accounts for 10 percent or more of the total premiums for all motor vehicle insurance issued in a particular state, the insurer must report about its operations in that state.

In the final rule establishing the insurer reports requirement (52 FR 59; January 2, 1987), 49 CFR part 544, NHTSA exercised its exemption authority by listing each insurer subject to the reporting requirements in Appendix A. Because the number of insurers subject to the reporting requirements is smaller than the number of insurers that fall under the 1% exemption, the agency chooses to publish the shorter list of insurers subject to the reporting requirements of 49 U.S.C. 33112. In Appendix B, NHTSA lists those insurers required to report for particular states because each insurer had a 10 percent or greater market share of motor vehicle premiums in those states. In the January 1987 final rule, the agency stated that it would update Appendices A and B annually. NHTSA updates the appendices based on data voluntarily provided by

insurance companies to A.M. Best,¹ which A.M. Best publishes in its State/Line Report each spring. The agency uses the data to determine the insurers' market shares nationally and in each state.

B. Self-insured Rental and Leasing Companies

In addition, upon making certain determinations, NHTSA grants exemptions to self-insurers, *i.e.*, any person who has a fleet of 20 or more motor vehicles (other than any governmental entity) used for rental or lease whose vehicles are not covered by theft insurance policies issued by insurers of passenger motor vehicles (see 49 U.S.C. 33112(b)(1)). Under 49 U.S.C. 33112(e)(1) and (2), NHTSA may exempt a self-insurer from reporting, if the agency determines:

(1) The cost of preparing and furnishing such reports is excessive in relation to the size of the business of the insurer; and

(2) The insurer's report will not significantly contribute to carrying out the purposes of Chapter 331.

In a final rule published June 22, 1990 (55 FR 25606), the agency granted a class exemption to all companies that rent or lease fewer than 50,000 vehicles, because it believed that the largest companies' reports sufficiently represent the theft experience of rental and leasing companies. NHTSA concluded that smaller rental and leasing companies' reports do not significantly contribute to carrying out NHTSA's statutory obligations and that exempting such companies will relieve an unnecessary burden on them. As a result of the June 1990 final rule, the agency added Appendix C, consisting of an annually updated list of the self-insurers subject to Part 544. Following the same approach as in Appendix A, Appendix C contains only the self-insurers subject to reporting, instead of the self-insurers that are exempted. NHTSA updates Appendix C based primarily on information from *Automotive Fleet Magazine* and *Business Travel News*.²

C. When a Listed Insurer Must File a Report

Under Part 544, as long as an insurer is listed, it must file reports on or before October 25 of each year. Thus, any

¹ A.M. Best Company is a well recognized source of insurance company ratings and information. 49 U.S.C. 33112(i) authorizes NHTSA to consult with public and private organizations as necessary.

² *Automotive Fleet Magazine* and *Business Travel News* are publications that provide information on the size of fleets and market share of rental and leasing companies.

insurer listed in Appendices A, B or C must file a report by October 25, 2004 and by each succeeding October 25, absent an amendment removing the insurer's name from the appendices.

Notice of Proposed Rulemaking

1. Insurers of Passenger Motor Vehicles

On April 9, 2004, NHTSA published a notice of proposed rulemaking (NPRM) to update the list of insurers in Appendices A, B, and C required to file reports (69 FR18861). Appendix A lists insurers that must report because each had 1 percent of the motor vehicle insurance premiums on a national basis. The list was last amended in a final rule published on October 14, 2003 (68 FR 59132). Based on the 2001 calendar year data market shares from A.M. Best, we proposed to make no changes to Appendix A.

Each of the 19 insurers listed in Appendix A is required to file a report by October 25, 2004, setting forth the information required by Part 544, for each State in which it did business in the 2001 calendar year. As long as these 19 insurers remain listed, they are required to submit a report by each subsequent October 25, for the calendar year ending slightly less than 3 years before.

Appendix B lists insurers required to report for particular States for calendar year 2001, because each insurer had a 10 percent or greater market share of motor vehicle premiums in those States. Based on the 2001 calendar year data for market shares from A.M. Best, we proposed to make no changes to Appendix B.

The eight insurers listed in Appendix B are required to report on their calendar year 2001 activities in every State where they had a 10 percent or greater market share. These reports must be filed by October 25, 2004, and set forth the information required by Part 544. As long as these eight insurers remain listed; they would be required to submit reports on or before each subsequent October 25 for the calendar year ending slightly less than 3 years before.

2. Rental and Leasing Companies

Appendix C lists rental and leasing companies required to file reports. Based on information in Automotive Fleet Magazine and Business Travel News for 2000, NHTSA proposed to add ANC Rental Corporation and remove Associates Leasing Inc., and the Consolidated Service Corporation. Each of the 17 companies (including franchisees and licensees) listed in Appendix C would be required to file

reports for calendar year 2001 no later than October 25, 2004, and set forth the information required by Part 544. As long as those 17 companies remain listed, they would be required to submit reports before each subsequent October 25 for the calendar year ending slightly less than 3 years before.

Public Comments on Final Determination

Regulatory Impacts

1. Costs and Other Impacts

This notice has not been reviewed under Executive Order 12866, Regulatory Planning and Review. NHTSA has considered the impact of this proposed rule and has determined that the action is not "significant" within the meaning of the Department of Transportation's regulatory policies and procedures. This rule implements the agency's policy of ensuring that all insurance companies that are statutorily eligible for exemption from the insurer reporting requirements are in fact exempted from those requirements. Only those companies that are not statutorily eligible for an exemption are required to file reports.

NHTSA does not believe that this rule, reflecting current data, affects the impacts described in the final regulatory evaluation prepared for the final rule establishing Part 544 (52 FR 59; January 2, 1987). Accordingly, a separate regulatory evaluation has not been prepared for this rulemaking action. Using the Bureau of Labor Statistics Consumer Price Index for 2003 ([see http://www.bls.gov/cpi](http://www.bls.gov/cpi)), the cost

estimates in the 1987 final regulatory evaluation were adjusted for inflation. The agency estimates that the cost of compliance is \$92,000 for any insurer added to Appendix A, \$36,800 for any insurer added to Appendix B, and \$10,616.80 for any insurer added to Appendix C. In this final rule, for Appendix A, the agency proposed no change, for Appendix B, the agency proposed no change; and for Appendix C, the agency added one company and removed two companies. The agency estimates that the net effect of this final rule would be a decrease of \$10,616.80 to insurers as a group.

Interested persons may examine the 1987 final regulatory evaluation. Copies of that evaluation were placed in Docket No. T86-01; Notice 2. Any interested person may obtain a copy of this evaluation by writing to NHTSA, Docket Section, Room 5109, 400 Seventh Street, SW., Washington, DC 20590, or by calling (202) 366-4949.

2. Paperwork Reduction Act

The information collection requirements in this final rule were submitted and approved by the Office of Management and Budget (OMB) pursuant to the requirements of the Paperwork Reduction Act (44 U.S.C. 3501 *et seq.*). This collection of information is assigned OMB Control Number 2127-0547 ("Insurer Reporting Requirements") and approved for use through July 31, 2006, and the agency will seek to extend the approval afterwards.

3. Regulatory Flexibility Act

The agency also considered the effects of this rulemaking under the Regulatory Flexibility Act (RFA) (5 U.S.C. 601 *et seq.*). I certify that this final rule will not have a significant economic impact on a substantial number of small entities. The rationale for the certification is that none of the companies proposed for Appendices A, B, or C is construed to be a small entity within the definition of the RFA. "Small insurer" is defined, in part under 49 U.S.C. 33112, as any insurer whose premiums for all forms of motor vehicle insurance account for less than 1 percent of the total premiums for all forms of motor vehicle insurance issued by insurers within the United States, or any insurer whose premiums within any State, account for less than 10 percent of the total premiums for all forms of motor vehicle insurance issued by insurers within the State. This notice would exempt all insurers meeting those criteria. Any insurer too large to meet those criteria is not a small entity. In addition, in this rulemaking, the agency proposes to exempt all "self

insured rental and leasing companies'' that have fleets of fewer than 50,000 vehicles. Any self-insured rental and leasing company too large to meet that criterion is not a small entity.

4. Federalism

This action has been analyzed according to the principles and criteria contained in Executive Order 13132, and it has been determined that the final rule does not have sufficient federalism implications to warrant the preparation of a Federalism Assessment.

5. Environmental Impacts

In accordance with the National Environmental Policy Act, NHTSA has considered the environmental impacts of this final rule and determined that it would not have a significant impact on the quality of the human environment.

6. Civil Justice Reform

This final rule does not have any retroactive effect, and it does not preempt any State law. 49 U.S.C. 33117 provides that judicial review of this rule may be obtained pursuant to 49 U.S.C. 32909, and section 32909 does not require submission of a petition for reconsideration or other administrative proceedings before parties may file suit in court.

7. Regulation Identifier Number (RIN)

The Department of Transportation assigns a regulation identifier number (RIN) to each regulatory action listed in the Unified Agenda of Federal Regulations. The Regulatory Information Service Center publishes the Unified Agenda in April and October of each year. You may use the RIN contained in the heading, at the beginning, of this document to find this action in the Unified Agenda.

8. Plain Language

Executive Order 12866 requires each agency to write all rules in plain language. Application of the principles of plain language includes consideration of the following questions:

- Have we organized the material to suit the public's needs?
- Are the requirements in the proposal clearly stated?
- Does the rule contain technical language or jargon that is not clear?
- Would a different format (grouping and order of sections, use of headings, paragraphing) make the rule easier to understand?
- Would more (but shorter) sections be better?
- Could we improve clarity by adding tables, lists, or diagrams?
- What else could we do to make the proposal easier to understand?

If you have any responses to these questions, you can forward them to me several ways:

- a. Mail: Carlita Ballard, Office of International Policy, Fuel Economy and Consumer Programs, NVS-131, NHTSA, 400 Seventh Street, SW., Washington, DC 20590;
- b. E-mail: cballard@nhtsa.dot.gov; or
- c. Fax: (202) 493-2290.
