The second meeting will be held in the same location on Wednesday, February 16, 2005, and Thursday, February 17, 2005.

Executive Order 13328 established the Commission for the purpose of assessing whether the Intelligence Community is sufficiently authorized, organized, equipped, trained, and resourced to identify and warn in a timely manner of, and to support the United States Government's efforts to respond to, the development of Weapons of Mass Destruction, related means of delivery, and other related threats of the 21st Century. This meeting will consist of briefings and discussions involving classified matters of national security, including classified briefings from representatives of agencies within the Intelligence Community; Commission discussions based upon the content of classified intelligence documents the Commission has received from agencies within the Intelligence Community; and presentations concerning the United States' intelligence capabilities that are based upon classified information.
