SUPPLEMENTARY INFORMATION:

Background

Title XIII of the Housing and Community Development Act of 1992, Pub. L. 102-550, titled the Federal Housing Enterprises Financial Safety and Soundness Act of 1992 (12 U.S.C. 4501 *et seq.*) established OFHEO as an independent office within the Department of Housing and Urban Development to ensure that the Federal National Mortgage Association (Fannie Mae) and the Federal Home Loan Mortgage Corporation (collectively, the Enterprises) are adequately capitalized and operate safely and soundly in compliance with applicable laws, rules, and regulations. To carry out its statutory responsibilities, OFHEO may, among other things, require an Enterprise to submit reports.

As a member of the President's Corporate Fraud Task Force that focuses on maximizing cooperation and joint regulatory and enforcement efforts, OFHEO is aware of the impact of mortgage fraud, not only with respect to the Enterprises, but with respect to the mortgage market as a whole. Losses resulting from mortgage fraud impact, among other things, profits, liquidity levels, and capitalization ratios.

For example, a recent investigation revealed a fraud scheme committed by insiders of First Beneficial Mortgage Corporation against Fannie Mae and the

Government National Mortgage Association (Ginnie Mae). First Beneficial Mortgage Corporation sold fraudulent loans to Fannie Mae. When Fannie Mae discovered that the mortgages were fraudulent, it forced First Beneficial to repurchase the loans. To raise the money to repurchase the loans, First Beneficial sold fraudulent mortgages to Ginnie Mae.¹ Fannie Mae did not inform Ginnie Mae that First Beneficial had made fraudulent loans. Fannie Mae agreed to a consent order to forfeit approximately \$7.5 million to the Federal government, which represents the amount, plus interest, that the First Beneficial principals obtained through fraud.² This and other frauds in the mortgage industry reflect the need to deter and, if necessary, detect and remedy fraud.³

Analysis of Proposed Regulation

In light of the impact of mortgage fraud on the safe and sound operations of the Enterprises, the proposed regulation sets forth safety and soundness requirements with respect to mortgage fraud reporting. OFHEO solicits comment on the purpose of the proposed regulation.

The term "mortgage fraud" would be defined under § 1731.2 to mean a material misstatement, misrepresentation, or omission relied upon by an Enterprise to fund or purchase—or not to fund or purchase—a mortgage, mortgage backed security, or similar financial instrument. The term would include, but not be limited to, identification and employment documents, mortgagee or mortgagor identity, and appraisals that are fraudulent. The term "possible mortgage fraud" would be defined to mean that an Enterprise has cause to believe that that mortgage fraud is occurring or has

³ Other recent examples of mortgage fraud include lawsuits against Olympia Mortgage Corporation and United Homes L.L.C. involving alleged fraudulent appraisals. "Losing Your Dream Home," *The New York Times*, Oct. 17, 2004. The F.B.I. has reported that the number of complaints involving mortgage fraud increased from 5,623 in fiscal year 2001 to 12,134 in fiscal year 2003. *Id.*

occurred.⁴ OFHEO would issue guidance and instructions with respect to format and content of mortgage fraud reports, including an elaboration of defined terms. OFHEO solicits comment on the definition of the terms "mortgage fraud" and "possible mortgage fraud" and on the other definitions set forth in the proposed regulation.

Under § 1731.3, an Enterprise would not be permitted to require the repurchase of or decline to purchase a mortgage, mortgage backed security, or similar instrument if it has notice of fraud or possible mortgage fraud until it promptly reports such fraud to the Director. OFHEO solicits comments on this proposed section.

Section 1731.4 would set forth the procedures for reporting fraud and possible mortgage fraud to OFHEO. As noted above, OFHEO would issue guidance and instructions with respect to format and content of mortgage fraud reports. Section 1731.4 also would provide that if the situation requires the immediate attention of OFHEO, an Enterprise would report immediately by telephone or electronic communication. The section further would provide for retention of records by the Enterprise and would prohibit the disclosure of reporting mortgage fraud or possible mortgage fraud to the parties connected with such fraud without the prior written approval of the Director.⁵ This requirement would not prevent an Enterprise from disclosing or reporting such fraud pursuant to legal requirement, including to appropriate law enforcement authorities. Acceptance by OFHEO of other reporting formats promulgated by agencies with jurisdiction over mortgage fraud reporting would also be provided by § 1731.4. Finally, the section would state that an Enterprise does not waive any privilege it may claim under law by reporting mortgage fraud or possible mortgage fraud. OFHEO solicits comments on the proposed procedures for reporting mortgage fraud and possible mortgage fraud and the proposed requirements and provisions relating to use of other forms, nondisclosure, and no waiver of privilege.

Section 1731.5 of the proposed regulation would provide that an

Enterprise must establish adequate and efficient internal controls and procedures and an operational training program to assure an effective system to detect and report mortgage fraud. OFHEO solicits comments on this proposed requirement.

Section 1731.6 expressly would state that failure to comply with the requirements of the regulation may subject the Enterprise or the board members, officers, or employees of the Enterprise to supervisory action by OFHEO under the Federal Housing Enterprises Financial Safety and Soundness Act of 1992, including but not limited to, cease-and-desist proceedings and civil money penalties. OFHEO solicits comments on this proposed section.

Request for Comments on the Proposed Regulation

OFHEO invites comments on all aspects of the proposed regulation and will take all comments into consideration before issuing the final regulation. The comment period has been set at 30 days because of the impact of mortgage fraud on safety and soundness, the size of the Enterprises, the volume of mortgage business, and the public interest in assuring deterrence and detection of such fraud.

All comments received will be posted without change to <http://www.ofheo.gov>, including any personal information provided. Copies of all comments received will be available for examination by the public on business days between the hours of 10 a.m. and 3 p.m., at the Office of Federal Housing Enterprise Oversight, Fourth Floor, 1700 G Street NW., Washington, DC 20552. To make an appointment to inspect comments, please call the Office of General Counsel at (202) 414-6924.

Regulatory Impact

Executive Order 12866, Regulatory Planning and Review

The proposed regulation is not classified as an economically significant rule under Executive Order 12866 because it would not result in an annual effect on the economy of \$100 million or more or a major increase in costs or prices for consumers, individual industries, Federal, state, or local government agencies, or geographic regions; or have significant adverse effects on competition, employment, investment, productivity, innovation, or on the ability of United States-based enterprises to compete with foreign-based enterprises in domestic or foreign markets. Accordingly, no regulatory impact assessment is required.

Nevertheless, the proposed regulation was submitted to the Office of Management and Budget for review under other provisions of Executive Order 12866 as a significant regulatory action.

Executive Order 13132, Federalism

Executive Order 13132 requires that Executive departments and agencies identify regulatory actions that have significant federalism implications. A regulation has federalism implications if it has substantial direct effects on the states, on the relationship or distribution of power between the Federal Government and the states, or on the distribution of power and responsibilities among various levels of government. The Enterprises are federally chartered corporations supervised by OFHEO. The proposed regulation would require reporting of mortgage fraud to OFHEO. It would not affect in any manner the powers and authorities of any state with respect to the Enterprises or alter the distribution of power and responsibilities between Federal and state levels of government. It would in no way limit the authority of any state to take actions for violations of its laws. Therefore, OFHEO has determined that the proposed regulation has no federalism implications that warrant the preparation of a Federalism Assessment in accordance with Executive Order 13132.

Regulatory Flexibility Act

The Regulatory Flexibility Act (5 U.S.C. 601 *et seq.*) requires that a regulation that has a significant economic impact on a substantial number of small entities, small businesses, or small organizations include an initial regulatory flexibility analysis describing the regulation's impact on small entities. Such an analysis need not be undertaken if the agency has certified that the regulation will not have a significant economic impact on a substantial number of small entities. 5 U.S.C. 605(b). OFHEO has considered the impact of the proposed regulation under the Regulatory Flexibility Act. The General Counsel of OFHEO certifies that the proposed regulation would not be likely to have a significant economic impact on a substantial number of small business entities because it would be applicable only to the Enterprises, which are not small entities for purposes of the Regulatory Flexibility Act.

List of Subjects in 12 CFR Part 1731

Administrative practice and procedure, Government sponsored enterprises.

⁴ OFHEO recognizes that documentary evidence of fraud or possible mortgage fraud may also be the basis for financial institution reports to their regulators and Federal agencies that investigate fraud.

⁵ OFHEO notes that staff of OFHEO would be prohibited from disclosing any report without the prior written approval of the Director pursuant to its Releasing Information regulation, 12 CFR part 1703.

For the reasons stated in the preamble, part 1731 is added to chapter XVII, title 12 of the Code of Federal Regulations to read as follows:
