BILLING CODE 4310-55-P

DEPARTMENT OF THE INTERIOR**Fish and Wildlife Service****Receipt of an Application for an Incidental Take Permit for the development of the Shadow Wood Subdivision in Brevard County, FL**

AGENCY: Fish and Wildlife Service, Interior.

ACTION: Notice.

SUMMARY: John Massaro (Applicant) requests an incidental take permit (ITP) pursuant to Section 10(a)(1)(B) of the Endangered Species Act of 1973 (U.S.C. 1531 *et seq.*), as amended (Act). The Applicant anticipates take of the Florida scrub-jay (*Aphelocoma coerulescens*) and eastern indigo snake (*Drymarchon corais couperi*) incidental to construction of a mixed residential and commercial use subdivision with supporting infrastructure in Brevard County, Florida. Construction and its associated infrastructure would destroy about 9.67 acres of foraging, sheltering, and possibly nesting habitat for the scrub-jay that is also possibly used by the indigo snake. A more detailed description of the mitigation and minimization measures to address the effects of the Project to the protected species are outlined in the Applicant's Habitat Conservation Plan (HCP), the Service's Environmental Assessment (EA), and in the **SUPPLEMENTARY INFORMATION** section below.

The Service also announces the availability of the EA and HCP for the incidental take application. Copies of the EA and/or HCP may be obtained by making a request to the Regional Office (see **ADDRESSES**). Requests must be in writing to be processed. This notice also advises the public that the Service has made a preliminary determination that issuing the ITP is not a major Federal action significantly affecting the quality of the human environment within the

meaning of Section 102(2)(C) of the National Environmental Policy Act of 1969 (NEPA), as amended. The Finding of No Significant Impact (FONSI) is based on information contained in the EA and HCP. The final determination will be made no sooner than 60 days from the date of this notice. This notice is provided pursuant to Section 10 of the Act and NEPA regulations (40 CFR 1506.6).
