SUPPLEMENTARY INFORMATION: Section 203(c) of the Agricultural Marketing Act of 1946 (7 U.S.C. 1621-1627), as amended, directs and authorizes the Secretary of Agriculture "To develop and improve standards of quality, condition, quantity, grade and packaging and recommend and demonstrate such standards in order to encourage uniformity and consistency in commercial practices." AMS is committed to carrying out this authority

in a manner that facilitates the marketing of agricultural commodities and makes copies of official standards available upon request. The United States Standards for Grades of Fruits and Vegetables not connected with Federal Marketing Orders or U.S. Import Requirements no longer appear in the Code of Federal Regulations, but are maintained by USDA/AMS/Fruit and Vegetable Programs.

AMS is considering whether to revise the U.S. Standards for Grades of Lemons using the procedures that appear in part 36, title 7 of the Code of Federal Regulations (7 CFR part 36). These standards were last revised in 1999.

Background

At a 2003 meeting with the Fruit and Vegetable Industry Advisory Committee, AMS was asked to review all the fresh fruit and vegetable grade standards for usefulness in serving the industry. AMS has identified the United States Standards for Grades of Lemons for possible revision. These standards were last revised in 1999. As a result, AMS has identified that the standard may need to be revised to reflect current marketing trends. However, prior to undertaking detailed work to develop proposed revisions to the standards, AMS is seeking comments whether any revisions are necessary to better serve the industry and the probable impact of any revisions on distributors, processors, and growers.

This notice provides for a 60-day comment period for interested parties to comment on whether any changes are necessary to the standards. Should AMS conclude that there is a need for any revisions of the standards, the proposed revisions will be published in the **Federal Register** with a request for comments in accordance with 7 CFR part 36.

Authority: 7 U.S.C. 1621-1627.

Dated: April 21, 2005.

Acting Administrator, Agricultural Marketing Service.
