

4. From where does the community get its bus and passenger rail services; if there is no scheduled bus or passenger rail service in the community, to where must residents go to obtain these services?

5. Where is the nearest airport; if it is a local service airport, to what major airport does it carry passengers?

6. What percentage of residents of the community work outside the community; where do these residents work?

7. What are the major elements of the community's economy; is the community's economy improving or declining; what Federal, State, or local plans, if any, are there for economic development in the community?

8. If residents leave the community for schooling, recreation, health care, or religious worship, what standard of time is observed in the places where they go for these purposes?

In addition, we will consider any other information that the county or local officials believe to be relevant to the proceeding.

In order to proceed efficiently, we ask that any county wishing to change its time zone boundary formally notify DOT by September 16, 2005. The submission should affirmatively take a position concerning what time zone all the county should be placed in and should include specific data supporting that position as outlined in our informal procedures. All petitions received by September 16, 2005, will be considered on an expedited schedule. Counties, or other governmental representatives, are free to petition after that date but may not be included in any rulemaking covering those received by September 16, 2005.

In addition, this notice announces the opening of an internet-accessible, public docket that will include a copy of the legislation, correspondence from the Governor, county petitions, and other relevant documents concerning the appropriate placement of the time zone boundary in the State of Indiana.

Issued in Washington, DC on August 10, 2005.

Jeffrey A. Rosen,

General Counsel.

Federal Aviation Administration

Approval of Noise Compatibility Program; Capital City Airport, Lansing, MI

AGENCY: Federal Aviation Administration, DOT.

ACTION: Notice.

SUMMARY: The Federal Aviation Administration (FAA) announces its findings on the noise compatibility program submitted by Capital Region Airport Authority under the provisions of 49 U.S.C. (the Aviation Safety and Noise Abatement Act, hereinafter referred to as "the Act") and 14 CFR part 150. These findings are made in recognition of the description of Federal and nonfederal responsibilities in Senate Report No. 96-52 (1980). On February 7, 2005 the FAA determined that the noise exposure maps submitted by Capital Region Airport Authority under part 150 were in compliance with applicable requirements. On August 5, 2005, the FAA approved the Capital City Airport noise compatibility program. All of the recommendations of the program were approved. No program
