**III. Waiver of Proposed Rulemaking and Delay in Effective Date**

We ordinarily publish a notice of proposed rulemaking in the **Federal Register** to provide a period for public comment before the provisions of a rule take effect in accordance with section 553(b) of the Administrative Procedure Act (APA) (5 U.S.C. 553(b)). However, we can waive the notice and comment procedures if the Secretary finds, for good cause, that the notice and comment process is impracticable, unnecessary or contrary to the public interest, and incorporates a statement of the finding and the reasons therefore in the notice. We can also waive the 30-day delay in effective date under the APA (5 U.S.C. 553(d)) when there is good cause to do so and we publish in the rule an explanation of our good cause.

The policies and payment methodology expressed in the FY 2006 final rule have previously been subjected to notice and comment procedures. This correction notice merely corrects typographical and technical errors in the preamble, regulations text, and addendum of the FY 2006 final rule and does not make substantive changes to the policies or payment methodologies that were adopted in the final rule. As a result, this correction notice is intended to ensure that the FY 2006 final rule accurately reflects the policies adopted in the final rule. Therefore, we find that undertaking further notice and comment procedures to incorporate these corrections into the final rule is unnecessary and contrary to the public interest.

For the same reasons, we are also waiving the 30-day delay in effective date for this correction notice. We believe that it is in the public interest to ensure that the FY 2006 final rule accurately represents our prospective payment methodology, payment rates, and policies. Thus delaying the effective date of these corrections would be contrary to the public interest. Therefore, we also find good cause to waive the 30-day delay in effective date.

**SUPPLEMENTARY INFORMATION:**

**I. Background**

In FR Doc. 05–15221, (70 FR 45026), the final rule entitled “Medicare Program; Prospective Payment System and Consolidated Billing for Skilled Nursing Facilities for FY 2006” (hereinafter referred to as the FY 2006 final rule), there were a number of typographical and technical errors that are identified and corrected in section III. “Correction of Errors” below. The

provisions of this correction notice are effective as if they had been included in the FY 2006 final rule. Accordingly, the corrections are effective on October 1, 2005.

**II. Summary of the Corrections to the FY 2006 Final Rule**

*A. Corrections to the Preamble of the FY 2006 Final Rule*

On pages 45046 and 45047, in the preamble discussion of the SNF market basket index, we inadvertently included incorrect values in the column labeled “Relative importance, labor-related, FY 2005 (97 index).” Therefore, we are revising the second column in Table 11 (“Labor-Related Relative Importance, FY 2005 and FY 2006”) to include the correct values for the labor share estimate for FY 2005 based on the 2nd quarter 2004 projection. (See item 1 of section III.A of this notice.)

*B. Corrections to the Regulations Text of the FY 2006 Final Rule*

On page 45055, we made a technical error in the regulations text of title 42, part 411. In this paragraph, we inadvertently excluded the updated statutory authority citation for this part. As revised by FR Doc. 05–1321 entitled “Medicare Program; Medicare Prescription Drug Benefit” (70 FR 4525, January 28, 2005), in this notice we are correcting the regulations text to include Secs. 1102, 1860D–1 through D–42, and 1871 of the Social Security Act (42 U.S.C. 1302, 1395w–101 through 1395w–152, and 1395hh). Accordingly, we are now republishing the corrected statutory authority citation for part 411, as revised by FR Doc. 05–1321. (See item 1 of section III. B. of this notice.)

Also on page 45055, in our revisions to two different sections of the regulations text in part 424 of the FY 2006 final rule, we inadvertently omitted a subpart heading. Specifically, revised § 424.3 and § 424.20 were both displayed as being included within subpart B of part 424 (“Certification and Plan of Treatment Requirements”). In fact, only § 424.20 is included within that subpart, while § 424.3 is included within subpart A (“General Provisions”). (See items 2 and 3 of section III. B. of this notice.)

*C. Corrections of Errors to the Addendum of the FY 2006 Final Rule*

Wage index data for two providers were erroneously omitted from the wage index calculation. This affected the wage index determination for the Houston-Sugar Land-Baytown, TX CBSA and the Nashville-Davidson-Murfreesboro, TN CBSA. Accordingly,

we are revising Table 8 and Table A to reflect the correct information. In addition, both Table 8 and Table A contained a number of technical and typographical errors. Therefore, we are including the corrected data in Table 8

and Table A. (See items 1 and 2 of section III.C. of this notice.)

**III. Correction of Errors**

In FR Doc. 05-15221 of August 4, 2005 (70 FR 45026), we are making the following corrections:

*A. Corrections to Errors in the Preamble*

1. On pages 45046 and 45047, in Table 11—Labor-Related Relative Importance, FY 2005 is corrected to read as follows:

**PART 411—[CORRECTED]**

■ 1. On page 45055, second column, lines 1 through 3, in part 411 (Exclusions From Medicare and Limitations On Medicare Payment), the authority citation is corrected to read as follows:

**Authority:** Secs. 1102, 1860D-1 through 1860D-42, and 1871 of the Social Security

Act (42 U.S.C. 1302, 1395w-101 through 1395w-152, and 1395hh).

**PART 424—[CORRECTED]**

the subpart heading to read as follows: “Subpart B Certification and Plan of Treatment Requirements.”

*C. Corrections to the Addendum*

1. On pages 45065, 45069, and 45070 in Table 8.—(“FY 2006 Wage Index For Urban Areas Based On CBSA Labor Market Areas”) the entries for the Urban area and Wage index are corrected to read as follows:

#### IV. Waiver of Proposed Rulemaking and Delay in Effective Date

We ordinarily publish a notice of proposed rulemaking in the **Federal Register** to provide a period for public comment before the provisions of a notice such as this take effect in accordance with section 553(b) of the Administrative Procedure Act (APA) (5 U.S.C. 553(b)). We also ordinarily provide a 30-day delay in the effective date of the provisions of a notice in accordance with section 553(d) of the APA (5 U.S.C. 553(d)). However, we can waive both the notice and comment procedure and the 30-day delay in effective date if the Secretary finds, for good cause, that a notice and comment process is impracticable, unnecessary or contrary to the public interest, and incorporates a statement of the finding and the reasons therefore in the notice.

We find it unnecessary to undertake notice and comment rulemaking because this notice merely provides technical and typographical corrections to the regulations. We are not making substantive changes to our payment methodologies or policies, but rather, are simply implementing correctly the payment methodologies and policies that we previously proposed, received comments on, and subsequently finalized. The public has already had the opportunity to comment on the payment methodology and policies being used to calculate wage indexes. In addition, this correction notice is intended to ensure that the FY 2006 SNF PPS final rule accurately reflects the payment methodologies and policies adopted in the final rule. Therefore, we believe that undertaking further notice and comment procedures to incorporate these corrections into the final rule is unnecessary and contrary to the public interest.

Further, we believe a delayed effective date is unnecessary because

this correction notice merely corrects inadvertent technical and typographical errors. The changes noted above do not make any substantive changes to the SNF PPS payment methodologies or policies. Moreover, we regard imposing a delay in the effective date as being contrary to the public interest. We believe that it is in the public interest for providers to receive appropriate SNF PPS payments in as timely a manner as possible and to ensure that the FY 2006 SNF PPS final rule accurately reflects our payment methodologies, payment rates, and policies. Therefore, we find good cause to waive notice and comment procedures, as well as the 30-day delay in effective date.

**DATES:** *Effective Date:* October 1, 2005.

#### SUPPLEMENTARY INFORMATION:

##### I. Background

In the FY 2006 IRF PPS final rule (70 FR 47880), there were a number of technical errors that are identified and corrected in the “Correction of Errors” section below. The provisions in this correction notice are effective as if they had been included in the FY 2006 IRF PPS final rule (70 FR 47880).

Accordingly, the corrections are effective for the payments for discharges occurring on or after October 1, 2005 and on or before September 30, 2006.

Most of the technical errors identified and corrected in the “Correction of Errors” section below originate from the same error, an inadvertent inclusion of incorrect data for four inpatient rehabilitation facilities (IRFs) in the analysis for the FY 2006 final rule (70 FR 47880). In the analysis for the FY 2006 final rule (70 FR 47880), we inadvertently and incorrectly neglected to apply any rural adjustment amount to estimated payments for four IRFs in our analysis sample that should have received a portion of the rural adjustment under the IRF hold harmless policy (as described below). When we reran the data analysis with the correct portion of the rural adjustment applied to payments for these four facilities, it resulted in the technical changes to the
