Title of Proposal: Qualification/Requalification CDBG Urban Counties Grants/New York Towns.

OMB Approval Number: 2506-0170.

Form Numbers: None.

Description of the Need For the Information and its Proposed Use:

Based on statutory provisions, counties seeking qualification or requalification as urban counties under the CDBG program must provide information to HUD every three years identifying the units of general local governments (UGLGs) within the county participating as a part of the county for purposes of receiving CDBG funds. The population of UGLGs for each eligible urban county and New York town are used in HUD's allocation of CDBG funds for all entitlement and State CDBG grantees. New York towns must undertake a similar process every three years because under New York State law, New York towns that contain incorporated UGLGs within their boundaries cannot qualify as metropolitan cities unless they execute cooperation agreements with all such incorporated units. The New York town qualification process must be completed prior to the qualification or urban counties so that any town that does not qualify as a metropolitan city will still have an opportunity to participate as part of an urban county.

Frequency of Submission: On occasion.

	Number of respondents	Annual responses	×	Hours per response	=	Burden hours
Reporting Burden	178	61		62		3,798

Total Estimated Burden Hours: 3,798.

Affected Members of the Public: Urban counties and New York towns that are eligible as entitlement grantees of the CDBG program.

Status: Extension of an existing collection.

Authority: Section 3507 of the Paperwork Reduction Act of 1995, 44 U.S.C. 35, as amended.

Dated: October 25, 2005.

Wayne Eddins,

Departmental Paperwork Reduction Act Officer, Office of the Chief Information Officer.
