

Personnel and Readiness, shall provide policy guidance for the management and mobilization of DoD military retirees.

(b) The Secretaries of the Military Departments and the Commandant of the U.S. Coast Guard shall ensure plans for the management and mobilization of military retirees are consistent with this rule.

(c) The Directors of the Defense Agencies, the Secretary of Homeland Security, the Director of the Selective Service System, and Heads of Federal Agencies, shall, by agreement, assist in identifying military and Federal civilian wartime positions that are suitable to be filled by military retirees. They shall also process those requirements according to Departmental policy, including any appropriate coordination under Department of Defense Directive 1000.17,³ before the positions are filled by the Military Services. The Secretary of the Military Department shall retain the right to disapprove the request if no military retiree is available.

(d) The Secretaries of the Military Departments, or designees, shall:

(1) Prepare plans and establish procedures for mobilization of military retirees according to this rule.

(2) Determine the extent of military retiree mobilization requirements based on existing inventories and inventory projections for mobilization of qualified Reservists in an active status in the Ready Reserve, including Individual Ready Reserve and the Inactive National Guard (when placed in an active status), or the Standby Reserve.

(3) Develop procedures for identifying retiree Categories I and II and conduct screening of retirees according to Department of Defense Directive 1200.7.⁴

(4) Maintain necessary records on military retirees and their military qualifications. Maintain records for military retiree Categories I and II, including retirees who are key employees, and their availability for mobilization, civilian employment, and physical condition. Data shall be

(5) Advise military retirees of their duty to provide the Military Services with accurate mailing addresses and any changes in civilian employment, military qualifications, availability for service, and physical condition.

(6) Pre-assign retired members, when determined appropriate and as necessary.

(7) Determine refresher training requirements.

Dated: April 11, 2006.

L.M. Bynum,

Alternate OSD Federal Register Liaison Officer, Department of Defense.

Extraordinary Contractual Actions

CFR Correction

In Title 48 of the Code of Federal Regulations, Chapters 7 to 14, revised as of Oct. 1, 2005, on page 368, part 950 is corrected by removing sections 950.7000 and 951.7001, and reinstating sections 950.7000 and 950.7001 in their place to read as follows:

§ 950.7000 Scope of subpart.

This subpart describes the established policies concerning indemnification of DOE contractors against public liability for a nuclear incident arising out of or in connection with the contract activity.

[49 FR 12039, Mar. 28, 1984, as amended at 56 FR 57827, Nov. 14, 1991]

§ 950.7001 Applicability

The policies and procedures of this subpart shall govern DOE's entering into agreements of indemnification with recipients of a contract whose work under the contract involves the risk of public liability for a nuclear incident or precautionary evacuation.

[49 FR 12039, Mar. 28, 1984, as amended at 56 FR 57827, Nov. 14, 1991]

BILLING CODE 1505-01-D

DEPARTMENT OF COMMERCE

National Oceanic and Atmospheric Administration

50 CFR Part 679

[Docket No. 060216045-6045-01; I.D. 041206A]

Fisheries of the Exclusive Economic Zone Off Alaska; Rock Sole, Flathead Sole, and "Other Flatfish" by Vessels Using Trawl Gear in Bering Sea and Aleutian Islands Management Area

AGENCY: National Marine Fisheries Service (NMFS), National Oceanic and Atmospheric Administration (NOAA), Commerce.

ACTION: Temporary rule; closure.

SUMMARY: NMFS is closing directed fishing for rock sole, flathead sole, and

"other flatfish" by vessels using trawl gear in the Bering Sea and Aleutian Islands management area (BSAI). This action is necessary to prevent exceeding the second seasonal allowance of the 2006 halibut bycatch allowance specified for the trawl rock sole, flathead sole, and "other flatfish" fishery category in the BSAI.

DATES: Effective 1200 hrs, Alaska local time (A.l.t.), April 13, 2006, through 1200 hrs, A.l.t., July 1, 2006.

FOR FURTHER INFORMATION CONTACT: Josh Keaton, 907-586-7228.

SUPPLEMENTARY INFORMATION: NMFS manages the groundfish fishery in the BSAI according to the Fishery Management Plan for Groundfish of the Bering Sea and Aleutian Islands Management Area (FMP) prepared by the North Pacific Fishery Management Council under authority of the Magnuson-Stevens Fishery Conservation and Management Act. Regulations governing fishing by U.S. vessels in accordance with the FMP appear at subpart H of 50 CFR part 600 and 50 CFR part 679.

The second seasonal allowance of the 2006 halibut bycatch allowance specified for the trawl rock sole, flathead sole, and "other flatfish" fishery category in the BSAI is 164 metric tons as established by the 2006 and 2007 final harvest specifications for groundfish in the BSAI (71 FR 10894, March 3, 2006).

In accordance with § 679.21(e)(7)(v), the Administrator, Alaska Region, NMFS, has determined that the second seasonal allowance of the 2006 halibut bycatch allowance specified for the trawl rock sole, flathead sole, and "other flatfish" fishery category in the BSAI has been caught. Consequently, NMFS is closing directed fishing for rock sole, flathead sole, and "other flatfish" by vessels using trawl gear in the BSAI.

"Other flatfish" includes Alaska plaice, as well as all other flatfish species except for Pacific halibut (a prohibited species), Greenland turbot, rock sole, yellowfin sole, flathead sole, and arrowtooth flounder.

After the effective date of this closure the maximum retainable amounts at § 679.20(e) and (f) apply at any time during a trip.

Classification

This action responds to the best available information recently obtained from the fishery. The Assistant Administrator for Fisheries, NOAA (AA), finds good cause to waive the requirement to provide prior notice and opportunity for public comment pursuant to the authority set forth at 5

³ See § 64.3(b).

⁴ See § 64.3(b).

U.S.C. 553(b)(B) as such requirement is impracticable and contrary to the public interest. This requirement is impracticable and contrary to the public interest as it would prevent NMFS from responding to the most recent fisheries data in a timely fashion and would delay the closure of directed fishing for rock sole, flathead sole, and "other flatfish" by vessels using trawl gear in the BSAI. NMFS was unable to publish

a notice providing time for public comment because the most recent, relevant data only became available as of April 12, 2006.

The AA also finds good cause to waive the 30-day delay in the effective date of this action under 5 U.S.C. 553(d)(3). This finding is based upon the reasons provided above for waiver of prior notice and opportunity for public comment.

This action is required by § 679.21 and is exempt from review under Executive Order 12866.

Authority: 16 U.S.C. 1801 *et seq.*

Dated: April 12, 2006.

James P. Burgess,

Acting Director, Office of Sustainable Fisheries, National Marine Fisheries Service.
