Notification to Importers

This notice also serves as a preliminary reminder to importers of their responsibility under 19 C.F.R. 351.402(f) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

We are issuing and publishing these preliminary results of administrative review in accordance with sections 751(a)(1) and 777(i)(1) of the Act, as well as 19 C.F.R. 351.221(b)(4) and 19 C.F.R. 351.213(d)(4).

International Trade Administration, North American Free-Trade Agreement (NAFTA), Article 1904 Binational Panel Reviews

AGENCY: NAFTA Secretariat, United States Section, International Trade Administration, Department of Commerce.

ACTION: Notice of decision of panel.

SUMMARY: On July 28, 2006, the binational panel issued its decision in the review of the final determination made by the International Trade Administration, respecting Oil Country Tubular Goods from Mexico Final Results of Sunset Review of Antidumping Duty Order, Secretariat File No. USA-MEX-2001-1904-03. The binational panel remanded the redetermination on remand to the International Trade Administration. Copies of the panel decision are available from the U.S. Section of the NAFTA Secretariat.

FOR FURTHER INFORMATION CONTACT:

Caratina L. Alston, United States Secretary, NAFTA Secretariat, Suite 2061, 14th and Constitution Avenue, Washington, DC 20230, (202) 482-5438.

SUPPLEMENTARY INFORMATION: Chapter 19 of the North American Free-Trade Agreement ("Agreement") establishes a mechanism to replace domestic judicial review of the final determinations in antidumping and countervailing duty cases involving imports from a NAFTA country with review by independent binational panels. When a Request for Panel Review is filed, a panel is established to act in place of national courts to review expeditiously the final determination to determine whether it conforms with the antidumping or countervailing duty law of the country that made the determination.

Under Article 1904 of the Agreement, which came into force on January 1, 1994, the Government of the United States, the Government of Canada and the Government of Mexico established *Rules of Procedure for Article 1904 Binational Panel Reviews* ("Rules"). These Rules were published in the **Federal Register** on February 23, 1994

(59 FR 8686). The panel review in this matter has been conducted in accordance with these Rules.

Panel Decision: The Panel concluded and ordered the Department as follows:

The Department is directed to reconsider its likelihood determination and either issue a determination of no likelihood or give a reasoned analysis to support a conclusion that TAMSA's dumping is likely to continue or recur. In particular, the Department is directed to explain why TAMSA's high financial expense ratio is likely to recur considering the decrease in TAMSA's foreign currency denominated debt during the sunset review period as evidenced by the actual financial expense ratio established in the record of this proceeding.

The Department was directed to report the results of its remand decision within 20 days of the date of the opinion, or not later than August 17, 2006.

Dated: August 3, 2006.

SUPPLEMENTARY INFORMATION:

Background

On July 26, 2006, MBDA published a solicitation for competitive applications from organizations to operate a Minority Business Enterprise Center (MBEC) (formerly Minority Business Development Center) (71 FR 42351). The July 26, 2006 solicitation listed the Alabama/Mississippi MBEC as a combined geographic service area.

This notice amends the July 26, 2006 solicitation by separating the Alabama/Mississippi MBEC into two geographic service areas, creating the Mississippi MBEC and the Alabama MBEC. The geographic service area for the Mississippi MBEC will be limited to the State of Mississippi. The geographic service area for the Alabama MBEC will be limited to the State of Alabama.

Geographic Service Areas

The MBEC will provide services in the following revised geographic areas:

MBEC name	Location of MBEC	Geographic service area
Alabama MBEC	Mobile, AL	State of Alabama.

MBEC name	Location of MBEC	Geographic service area
Mississippi MBEC (changed from Alabama/Mississippi MBEC).	Biloxi, MS	State of Mississippi (changed from states of Alabama and Mississippi).

Electronic Access

A link to the full text of the Federal Funding Opportunity (FFO) Announcements for the MBEC Program can be found at <http://www.Grants.gov> or by downloading at <http://www.mbda.gov> or by contacting the appropriate MBDA representative identified above. The FFO contains a full and complete description of the MBEC program requirements. In order to receive proper consideration, applicants must comply with all information and requirements contained in the FFO. Applicants will be able to access, download and submit electronic grant applications for the MBEC Program in this announcement at Grants.gov. MBDA strongly recommends that applicants not wait until the application deadline date to begin the application process through Grants.gov. The date that applications will be deemed to have been submitted electronically shall be the date and time received at Grants.gov. Applicants should save and print the proof of submission they receive from Grants.gov. Applications received after the closing date and time will not be considered.

Mississippi MBEC (Formerly Alabama/Mississippi MBEC)

This notice amends the July 26, 2006 solicitation by: (a) Changing the name of the Alabama/Mississippi MBEC to the Mississippi MBEC and (b) modifying the geographic service area from the States of Alabama/Mississippi to Mississippi only. All prior programmatic requirements, including funding levels, length of award and competition/selection process originally published on July 26 2006 (71 FR 42351-42356) remain the same.

Alabama MBEC

This amendment creates a new geographic service area, the Alabama

MBEC, which will service Hurricanes Katrina and/or Rita impacted minority-owned firms from the State of Alabama. The information in this section outlines program general and specific requirements for the Alabama MBEC.

Funding Priorities—Alabama MBEC: Preference may be given to applications during the selection process which address the following MBDA funding priorities:

(a) Applicants who submit proposals that include work activities that exceed the minimum work requirements in this Announcement.

(b) Applicants who submit proposals that include performance goals that exceed the minimum performance goal requirements in this Announcement.

(c) Applicants who demonstrate an exceptional ability to identify and work towards the elimination of barriers which limit the access of minority businesses to markets and capital.

(d) Applicants who demonstrate an exceptional ability to identify and work with minority businesses seeking to obtain large-scale contracts and/or insertion into supply chains with institutional customers.

(e) Applicants that utilize fee for service models and those that demonstrate an exceptional ability to charge and collect fees from clients.

Funding Availability—Alabama MBEC: The total award period is one (1) year. Renewal of the award for two additional year options is at the sole discretion of the MBDA and the Department of Commerce. A total of approximately \$200,000 is available in FY 2006 for Federal assistance under this program and it is anticipated that \$200,000 may be available for each of the two option years in FY 2007 and FY 2008. Applicants are hereby given notice that funds have been appropriated for FY 2006 only. Funds

for FY 2007 and 2008 have not been appropriated for this program.

Projects will be funded for no more than one year at a time. A project proposal accepted for funding in the first year is not required to re-compete in order to receive funding in optional years two (2) and three (3). Funding for the subsequent second and third year will be at the sole discretion of the MBDA and the Department of Commerce, and provided the MBEC achieved a “Satisfactory” performance rating for the first year and “Good” performance rating for the second year (as outlined below), the award recipient will be eligible for renewed funding. Failure to achieve the required minimum performance rating may be cause for project termination.

- Recommendations for second year funding are evaluated based on a “Satisfactory” mid-year performance rating and/or combination of mid-year and cumulative third quarter performance “Satisfactory” performance rating in Year 1.

- Recommendations for third year funding are evaluated based on a “Good” mid-year performance rating and/or combination of mid-year and cumulative third quarter performance “Good” performance rating in Year 2.

All funding periods are subject to the availability of funds to support the continuation of the project, and the Department of Commerce’s and MBDA’s priorities. Publication of this Notice does not obligate MBDA or the Department to award any specific cooperative agreement or to obligate all or any part of available funds.

Contingent upon the availability of Federal funds, the cost of performance for each of the program funding years is estimated in the chart below. The application must include a minimum cost share of 10% in non-Federal contributions.

Catalog of Federal Domestic Assistance (CFDA): 11.800 Minority Business Enterprise Center Program (formerly Minority Business Development Center (MBDC) Program).

Eligibility: For-profit entities (including sole-proprietorships, partnerships, and corporations), and non-profit organizations, state and local government entities, American Indian Tribes, and educational institutions are eligible to operate MBECs. Applicants receiving three (3) consecutive funding award cycles (beginning 2007 through 2015) will not be eligible to receive an award in 2016 (and thereafter).

Program Description—Alabama MBEC: In accordance with Executive Order 11625 and 15 U.S.C. Section 1512, the Minority Business Development Agency (MBDA) is soliciting applications from organizations to operate a Minority Business Enterprise Center (MBEC) (formerly Minority Business Development Center). The MBEC Program requires the Alabama MBEC staff to provide standardized business assistance services to minority firms impacted by Hurricanes Katrina and/or Rita or those with \$500,000 or more in annual revenues and/or “rapid-growth potential” minority businesses (“Strategic Growth Initiative or “SGI” firms) directly; to develop a network of strategic partnerships; and to provide strategic business consulting. These requirements will be used to generate increased results with respect to financing and contracts awarded to minority-owned firms and thus, are a key component of this program.

The Alabama MBEC Program will concentrate on serving firms impacted by Hurricanes Katrina and/or Rita or SGI firms capable of generating significant employment and long-term economic growth. The MBEC program shall continue to leverage telecommunications technology, including the Internet, and a variety of online/computer-based resources to dramatically increase the level of service that the MBEC can provide to minority-owned firms.

The MBEC program incorporates an entrepreneurial approach to building market stability and improving the quality of services delivered. This strategy expands the reach of the MBEC by requiring the project operator to develop and build upon strategic alliances with public and private sector partners, as a means of serving clients within the project’s geographic service area.

In addition, MBDA will establish specialized business consulting training programs to support the MBEC client assistance services. These MBEC training programs are designed specifically to foster growth assistance to its clients. The MBEC will also encourage increased collaboration and client/non-client referrals among the MBDA-sponsored networks. This will provide a comprehensive approach to serving the emerging sector of the minority business community.

The MBEC will operate through the use of trained professional business consultants who will assist minority entrepreneurs through direct client engagements. Entrepreneurs eligible for assistance under the MBEC Program are African Americans, Puerto Ricans, Spanish-speaking Americans, Aleuts, Asian and Pacific Islander Americans, Asian Indians, Native Americans, Eskimos and Hasidic Jews. As part of its strategy for continuous improvement, the MBEC shall expand its delivery capacity to *all* minority firms (as defined in the FFO). MBDA wants to ensure that MBEC clients are receiving a consistent level of service throughout its funded network. To that end, MBDA will require MBEC consultants to attend training course(s) designed to achieve standardized services and quality expectations. Further programmatic information can be found in the FFO.

Match Requirements—Alabama MBEC: Cost sharing of at least 10% is required. Cost sharing is the portion of the project cost not borne by the Federal Government. Applicants must meet this requirement through one or more of the following means or a combination thereof: (1) Client fees; (2) cash contributions; (3) non-cash applicant contributions; and/or (4) third party in-kind contributions. Bonus points will be awarded for cost sharing exceeding 10 percent that is applied on the following scale: more than 10%-less than 15%—1 point; 15% or more-less than 20%—2 points; 20% or more-less than 25%—3 points; 25% or more-less than 30%—4 points; and, 30% or more—5 points. Applicants must provide a detailed explanation of how the cost-sharing requirement will be met. The MBEC may charge client fees for services rendered. Client fees, if charged, shall be used towards meeting cost share requirements. Client fees applied directly to the award’s cost sharing requirement must be used in furtherance of the program objectives.

Evaluation Criteria—Alabama MBEC: Proposals will be evaluated and applicants will be selected based on the following criteria. An application must receive at least 70% of the total points

available for *each* evaluation criterion, in order for the application to be considered for funding. The maximum total of points that can be earned is 105 including bonus points for related non-federal cost sharing, except when oral presentations are made by applicants. If oral presentations are made (see paragraph 5 below), the maximum total of points that can be earned is 115.

- *Performance Measures*—relate each performance measure to the financial, information and market resources available in the geographic service area to the applicant (including existing client list) and how the goals will be met (marketing plan). Specific attention should be placed on matching performance outcomes (as described under "Geographic Service Areas and Performance Goals" of the FFO) with client service (billable) hours. The applicant should consider existing market conditions and its strategy to achieve the goal (10 points);

- *Plan of action*—provide specific detail on how the applicant will start operations. The MBEC shall have thirty (30) days to become fully operational after an award is made. Fully operational means that all staff are hired, all signs are up, all items of furniture and equipment are in place and operational, all necessary forms are developed (e.g., client engagement letters, other standard correspondence, etc.), and the center is ready to open its doors to the public (5 points); and

(e) The extent to which the presentation demonstrates effective employee recruitment and retention policies and procedures (1 point); and

(f) The extent to which the presentation demonstrates a competitive and innovative approach to exceeding performance requirements (2 points).

Review and Selection Process—Alabama MBEC:

1. *Initial Screening*. Prior to the formal paneling process, each

application will receive an initial screening to ensure that all required forms, signatures and documentation are present.

2. *Panel Review*. Each application will receive an independent, objective review by a panel qualified to evaluate the applications submitted. MBDA anticipates that the review panel will be made up of at least three independent reviewers (all Federal employees) who will review all applications based on the above evaluation criteria. Each reviewer will evaluate and provide a score for each proposal. In order for an application to be considered for funding, it shall need to achieve 70% of the available points for each criterion. Failure to achieve these results will automatically deem the application as unsuccessful.

3. *Oral Presentation—Optional*. When the merit review by the panel results in applications scoring 70% or more of the available points for each criterion, MBDA may request all those applicants to develop and provide an oral presentation. The applicants may receive up to 10 additional points based on the presentation and content presented.

If a formal presentation is requested, the applicants will receive a formal communication (via standard mail, e-mail or fax) from MBDA indicating the time and date for the presentation. In person presentations are not mandatory but are encouraged; telephonic presentations are acceptable. Applicants will be asked to submit a power point presentation (or equivalent) to MBDA that addresses the oral presentation criteria (see above, Evaluation Criteria, item 5. Oral Presentation—Optional). This presentation must be submitted at least 24 hours before the scheduled date and time of the presentation. The presentation will be made to the National Director (or his/her designee) and/or up to three senior MBDA staff who did not serve on the merit evaluation panel. The oral panel members may ask follow-up questions after the presentation. MBDA will provide the teleconference dial-in number and pass code. Each finalist will present to MBDA staff only; other applicants are not permitted to listen (and/or watch).

All costs pertaining to this presentation shall be borne by the applicant. MBEC award funds may not be used as a reimbursement for this presentation. MBDA will *not* accept any requests or petitions for reimbursement.

The oral panel members shall score each presentation in accordance with the oral presentation criteria. An average score shall be compiled and

added to the original score of the panel review.

4. *Final Recommendation.* The National Director of MBDA makes the final recommendation to the Department of Commerce Grants Officer regarding the funding of applications, taking into account the selection criteria as outlined in this Announcement and the following:

(a) The evaluations and rankings of the independent review panel and the evaluation(s) of the oral presentations, if applicable;

(b) Funding priorities. The National Director (or his/her designee) reserves the right to conduct a site visit (subject to the availability of funding) to applicant organizations receiving at least 70% of the total points available for each evaluation criterion, in order to make a better assessment of the organization's capability to achieve the funding priorities; and,

(c) The availability of funding.

Applications under this program are not subject to Executive Order 12372, "Intergovernmental Review of Federal Programs."

Limitation of Liability—Alabama MBEC: Applicants are hereby given notice that funds have been appropriated for this program for Fiscal Year 2006 only.
