**FEDERAL TRADE COMMISSION**

**Granting of Request for Early Termination of the Waiting Period Under the Premerger Notification Rules**

Section 7A of the Clayton Act, 25 U.S.C. 18a, as added by Title II of the Hart-Scott-Rodino Antitrust Improvement Act of 1976, requires persons contemplating certain mergers or acquisitions to give the Federal Trade Commission and the Assistant Attorney General advance notice and to wait designated periods before consummation of such plans. Section 7A(b)(2) of the Act permits the agencies, in individual cases, to terminate this waiting period prior to its expiration and requires that notice of this action be published in the **Federal Register**.

The following transactions were granted early termination of the waiting period provided by law and the premerger notification rules. The grants were made by the Federal Trade Commission and the Assistant Attorney General for the Antitrust Division of the Department of Justice. Neither agency intends to take any action with respect to these proposed acquisitions during the applicable waiting period.

#### OFFICE OF GOVERNMENT ETHICS

#### Agency Information Collection Activities; Submission for OMB Review; Proposed Collection; Comment Request for Modified OGE Form 450 Executive Branch Confidential Financial Disclosure Report

**AGENCY:** Office of Government Ethics (OGE).

**ACTION:** Notice.

**SUMMARY:** Once this notice is published in the **Federal Register**, the Office of Government Ethics will promptly submit to the Office of Management and Budget (OMB) a proposed modified version of the OGE Form 450 Executive Branch Confidential Financial Disclosure Report form (hereafter, OGE

Form 450) for review and three-year extension of approval under the Paperwork Reduction Act (PRA). After that approval, the modified form would be used by covered departments and agency employees starting January 1, 2007.

In August of 2005, the Office of Government Ethics published a first round paperwork notice that it intended to modify the OGE Form 450 to improve its clarity and design and to change in part the information that it collects. Because OGE received so many helpful comments in response to that notice, it significantly redesigned the proposed new OGE Form 450 and published another first round paperwork notice on March 17, 2006, in order to provide a further comment period. OGE received a number of comments on the March 2006 notice and has made a few minor
