

on the UST provisions of the Energy Policy Act for their State UST programs.

To implement the law, OUST, EPA regions, and States are working closely with tribes, other Federal agencies, tank owners and operators, UST equipment industry, and other stakeholders to bring about the mandated changes affecting UST programs. Over the next several months, EPA expects to issue draft grant guidelines regarding the inspection provision and state compliance report on government USTs provision.

Once the guidelines are issued and become effective, EPA regions will incorporate the guidelines in grant agreements between EPA and States. States receiving funds from EPA for their UST programs must comply with the UST provisions of the Energy Policy Act and will be subject to action by EPA under 40 CFR 31.43 if they fail to comply with the guidelines.

The Agency is providing the public with an opportunity to comment on the two draft grant guidelines when they become available by following the process specified below. As provided in 5 U.S.C. 553(a)(2), the grant guidelines are exempt from the notice and comment rule-making procedures. Consequently, EPA will not establish a public docket for comments and may not issue separate responses to comments when we issue the final guidelines.

EPA encourages interested stakeholders to regularly check EPA's Web site at: http://www.epa.gov/oust/fedlaws/epact_05.htm#Drafts where we will post the draft guidelines as they become available over the next several months. You may also send an e-mail to OUST_Energy_Policy_Act_Email_List@epa.gov requesting that we notify you when the drafts are posted on EPA's Web site. If you previously e-mailed a request to be included on this list, there is no need for you to do so again. As each draft guideline is posted on EPA's Web site, we will accept comments on each for 30 days. EPA's Web site will provide information about document availability and specific public comment periods. You may submit comments by e-mail, facsimile, or mail as described on EPA's Web site. After the draft guidelines are posted on EPA's Web site, paper copies will be available from NSCEP, EPA's publications distribution warehouse upon request. You may request copies from NSCEP by calling 1-800-490-9198; writing to U.S. EPA/NSCEP, Box 42419, Cincinnati, OH 45242-0419; or faxing your request to NSCEP at 513-489-8695.

After considering public comments, EPA will issue final grant guidelines

which EPA regions will incorporate into states' grant agreements.
