SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-54902; File No. SR-DTC-2006-13]

Self-Regulatory Organizations; The Depository Trust Company; Notice of Filing and Immediate Effectiveness of a Proposed Rule Change To Clarify Deposit Service Procedures To Help Assure Compliance With OFAC Regulations

December 8, 2006.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act"),¹ notice is hereby given that on August 11, 2006, The Depository Trust Company ("DTC") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I, II, and III below, which Items have been prepared primarily by DTC. DTC filed the proposed rule change pursuant to Section 19(b)(3)(A) of the Act² and Rule 19b-4(f)(1)³ thereunder so that the proposal was effective upon filing with the Commission. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The proposed rule change clarifies recent changes to DTC's Deposit Service procedures.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, DTC included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. DTC has prepared summaries, set forth in Sections A, B,

and C below, of the most significant aspects of such statements.⁴

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

The proposed rule change clarifies recent changes that DTC made to its Deposit Service procedures.⁵ As part of those changes, DTC requires participants to certify to DTC that the participant screened the name of the party in whose name a deposited security certificate is registered against the U.S. Department of the Treasury's Office of Foreign Assets and Control ("OFAC") list of Specially Designated Nationals and against OFAC's regulations and that there were no matches identified by such comparison. The purpose of this rule filing is to clarify that if the certificate has been assigned by the party in whose name the security was registered, participants only need to certify that they have screened the name of the most recent assignee and that there were no matches identified.⁶

DTC believes that the proposed rule change is consistent with the requirements of Section 17A of the Act⁷ and the rules and regulations thereunder because it should improve DTC's ability to comply with applicable laws thereby reducing regulatory risks and associated costs to DTC and its participants.

B. Self-Regulatory Organization's Statement on Burden on Competition

DTC does not believe that the proposed rule change will have any impact or impose any burden on competition.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

Written comments relating to the proposed rule change have not been solicited or received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change has become effective pursuant to Section 19(b)(3)(A) of the Act⁸ and Rule 19b-4(f)(1)⁹

⁴ The Commission has modified the text of the summaries prepared by FICC.
