Description: On May 25, 2007 the President signed into law the *Small Business and Work Opportunity Tax Act of 2007* (Pub. L. 110-28). Section 8211

of this Act extended and modified the WOTC Program for a continuing 44-month period through August 31, 2011. The new provisions and amendments to certain target groups apply to new hires that begin to work for an employer after May 25. Another recent legislation, the *Tax Relief and Health Care Act of 2006* (Pub. L. 109-432) signed into law on December 20, 2006 extended the WOTC for two additional years through December 31, 2007 and consolidated the program by merging the Welfare-to-Work Tax Credit into the WOTC. This Act also made various amendments and introduced new provisions that streamline the program and make it easier for the business sector to participate. The statutory changes and new provisions required that the following program report, processing and administrative forms, and materials be revised and updated to reflect the new changes and provisions:

To request a certification from a state workforce agency (SWA), employers or their representatives must submit not only IRS Form 8850 but also either ETA Form 9061 or 9062. SWAs cannot process timely filed but incomplete requests. Through a special arrangement with OMB, IRS Form 8850 was cleared by OMB May 26, 2007. Therefore, ETA is requesting this emergency ICR approval of the listed forms and program materials so that the SWAs can start processing all the new certification requests with the changes that became effective May 26, 2007. This emergency approval will help prevent the accumulation of unprocessed timely filed certification requests, which will result in significant backlogs for the states and the timely issuance to employers of certifications for all the new eligible hires in accordance with Congressional intent.

Darrin King,

Acting Departmental Clearance Officer.
