Sharyland Utilities, L.P.; Petition for Declaratory Order

August 28, 2007.

Take notice that on August 24, 2007, Sharyland Utilities, L.P. filed a Petition for Declaratory Order concerning the scope of the Commission's jurisdiction under the Federal Power Act in connection with the use of an asynchronous interconnection between the Electric Reliability Council of Texas and the Commission Federal de Electricidad de Mexico.

Any person desiring to intervene or to protest this filing must file in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure (18 CFR 385.211, 385.214). Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Any person wishing to become a party must file a notice of intervention or motion to intervene, as appropriate. Such notices, motions, or protests must be filed on or before the comment date. On or before the comment date, it is not necessary to serve motions to intervene or protests on persons other than the Applicant.

The Commission encourages electronic submission of protests and interventions in lieu of paper using the "eFiling" link at <http://www.ferc.gov>. Persons unable to file electronically should submit an original and 14 copies of the protest or intervention to the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426.

This filing is accessible on-line at <http://www.ferc.gov>, using the "eLibrary" link and is available for review in the Commission's Public Reference Room in Washington, DC. There is an "eSubscription" link on the Web site that enables subscribers to receive e-mail notification when a document is added to a subscribed docket(s). Southern California Edison Company; Petition for Declaratory Order

August 28, 2007.

Take notice that on August 16, 2007, Southern California Edison Company (SCE), filed a response to the Commission's deficiency letter issued on July 17, 2007, for Incentive Rate Treatment for three major transmission projects the SCE is proposing to construct.

Any person desiring to intervene or to protest this filing must file in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure (18 CFR 385.211, 385.214). Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Any person wishing to become a party must file a notice of intervention or motion to intervene, as appropriate. Such notices, motions, or protests must be filed on or before the comment date. Anyone filing a motion to intervene or protest must serve a copy of that document on the Applicant and all the parties in this proceeding.

The Commission encourages electronic submission of protests and interventions in lieu of paper using the "eFiling" link at <http://www.ferc.gov>. Persons unable to file electronically should submit an original and 14 copies of the protest or intervention to the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426.

Wabash Valley Power Association, Inc. Complainant v. Midwest Independent Transmission System Operator, Inc. Respondent; Notice of Complaint

August 27, 2007.

Take notice that on August 24, 2007, Wabash Valley Power Association, Inc. (Wabash Valley), pursuant to Rule 206 of the Rules of Practice and Procedure and section 206 of the Federal Power Act, filed a Second Conditional Complaint and Motion to Consolidate against Midwest Independent Transmission System Operator, Inc. (Midwest ISO), alleging that the Revenue Sufficiency Guarantee charge allocation provisions of Midwest ISO's tariff are unjust, unreasonable and unduly discriminatory, and therefore must be revised. Wabash valley requests that the Commission establish the earliest possible refund-effective date with respect to the necessary revisions.

Wabash Valley states that copies of the Complaint were served upon the contacts for Midwest ISO as listed on the Commission's list of Corporate Officials.

Any person desiring to intervene or to protest this filing must file in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure (18 CFR 385.211, 385.214). Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Any person wishing to become a party must file a notice of intervention or motion to intervene, as appropriate. The Respondent's answer and all interventions, or protests must be filed on or before the comment date. The Respondent's answer, motions to intervene, and protests must be served on the Complainants.

The Commission encourages electronic submission of protests and interventions in lieu of paper using the "eFiling" link at <http://www.ferc.gov>. Persons unable to file electronically

should submit an original and 14 copies of the protest or intervention to the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426.

Preventing Undue Discrimination and Preference in Transmission Service; Notice of Technical Conferences

August 28, 2007.

Take notice that Commission staff will convene technical conferences on the following dates in the following cities to review and discuss the draft proposals regarding transmission planning required by the "Order Extending Compliance Action Date and Establishing Technical Conferences" issued in this proceeding on July 27, 2007.¹ Staff expects all transmission providers to participate in the technical conference for their particular region, although all interested persons, including other transmission providers,

regional representatives, and transmission customers are invited to attend each conference. In the July 27 Order, the Commission extended until December 7, 2007 the date for transmission providers to submit an Attachment K to their Open Access Transmission Tariff incorporating the transmission planning principles and concepts adopted in Order No. 890.² To facilitate the development of these filings, the Commission also required transmission providers to post a draft of their Attachment K on or before September 14, 2007, and established a second round of staff technical conferences,³ which is being scheduled in this notice, for the purpose of stakeholder review of those drafts.⁴

Date	Location	Transmission provider participants
October 1-2, 2007	Atlanta, GA	Entities located in the states represented in the Southeastern Association of Regulatory Utility Commissioners (SEARUC) and entities located in the Southwest Power Pool footprint. Those wishing to participate as a panelist and provide feedback on the proposals should submit a request form by close of business on September 21, 2007, located at: https://www.ferc.gov/whats-new/registration/transmission-planning-speaker-form.asp .
October 15-16, 2007	Boston, MA	Entities located within the Midwest ISO, PJM, New York ISO, and ISO New England footprints, MAPP/MAPP Participants, and adjacent areas. Those wishing to participate as a panelist and provide feedback on the proposals should submit a request form by close of business on September 28, 2007, located at: https://www.ferc.gov/whats-new/registration/transmission-planning-speaker-form.asp .

A further notice with a detailed agenda for each conference will be issued in advance of the conferences. Details about locations of meetings will be provided at that time. In the event a transmission provider is uncertain as to which technical conference is the appropriate forum for discussion of its draft proposal, such transmission providers should contact Commission staff in advance to discuss the matter.

For further information about these conferences, please contact:
