Brake Rotors From the People's Republic of China: Preliminary Results of the 2006 Semiannual New Shipper Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

SUMMARY: The U.S. Department of Commerce ("the Department") is conducting a semiannual new shipper review of the antidumping duty order on brake rotors from the People's Republic of China ("PRC") in response to a request from Longkou Qizheng Auto Parts Co., Ltd. ("Qizheng"). The period of review ("POR") is April 1 through October 31, 2006. We have preliminarily determined that Qizheng's sale is a *bona fide* transaction. In addition, we have preliminarily determined that Qizheng made its sale during the POR above normal value. If these preliminary results are adopted in our final results of this review, we will instruct U.S. Customs and Border Protection ("CBP") to assess antidumping duties on the appropriate entry of subject merchandise during the POR if the assessment rate is above *de minimis*. Interested parties are invited to comment on these preliminary results.

EFFECTIVE DATE: September 25, 2007.

SUPPLEMENTARY INFORMATION:

Background

The Department published in the **Federal Register** the antidumping duty order on brake rotors from the PRC on

April 17, 1997. *See Notice of Antidumping Duty Order: Brake Rotors from the People's Republic of China*, 62 FR 18740 (April 17, 1997) ("Order"). On October 31, 2006, the Department received a timely request from Qizheng, in accordance with 19 CFR 351.214(c), to conduct a semiannual new shipper review of the antidumping duty order on brake rotors from the PRC. This request was rejected by the Department on November 6, 2006. Qizheng resubmitted its request for review on November 6, 2006. On November 30, 2006, the Department found that the request for review with respect to Qizheng met all of the regulatory requirements set forth in 19 CFR 351.214(b) and initiated a semiannual new shipper review of the antidumping duty order on brake rotors from the PRC for the April 1 through September 30, 2006, period. *See Brake Rotors from the People's Republic of China: Initiation of New Shipper Review*, 71 FR 69203 (November 30, 2006). On November 30, 2006, the Department issued the initial questionnaire to Qizheng. On December 1, 2006, the Department issued a memorandum identifying five countries as being at a level of economic development comparable to that of the PRC for the specified period of review: India, Sri Lanka, Egypt, Indonesia, and the Philippines. *See Attachment I of the Memorandum from Ron Lorentzen, Director, Office of Policy, to Wendy Frankel, Director, China/NME Group, Office 8, regarding, "2006 Semi-Annual Antidumping Duty New Shipper Review of Brake Rotors from the People's Republic of China: Request for a List of Surrogate Countries," ("Surrogate Country Memo")*. On December 8, 2006, we invited interested parties to provide information on surrogate values for the factors of production used in the production of brake rotors.
