

form of relief is a limited exclusion order prohibiting the unlicensed entry of voltage regulators that infringe one or more of claims 2, 3, and 34 of the '258 patent and that are manufactured by or on behalf of AATI, its affiliated companies, parents, subsidiaries, licensees, contractors, or other related business entities, or successors or assigns.

The Commission further determined that the public interest factors enumerated in section 337(d)(1) (19 U.S.C. 1337(d)(1)) do not preclude issuance of the limited exclusion order. Finally, the Commission determined that the amount of bond to permit temporary importation during the Presidential review period (19 U.S.C. 1337(j)) shall be in the amount of one hundred (100) percent of the entered value of the articles that are subject to the order. The Commission's order was delivered to the President and the United States Trade Representative on the day of its issuance.

The authority for the Commission's determination is contained in section 337 of the Tariff Act of 1930, as amended (19 U.S.C. 1337), and in section 210.45 of the Commission's Rules of Practice and Procedure (19 CFR 210.45).

By order of the Commission.

Issued: September 24, 2007.

Marilyn R. Abbott,

Secretary to the Commission.

C-Tech Industries, A Subsidiary of Alfred Karcher GMBH and Co. KG Calumet, MI; Notice of Negative Determination Regarding Application for Reconsideration

By application dated September 5, 2007, a worker requested administrative reconsideration of the Department's negative determination regarding eligibility for workers and former workers of C-Tech Industries, A Subsidiary of Alfred Karcher GMBH & Co. KG, Calumet, Michigan (subject firm) to apply for Trade Adjustment Assistance (TAA) and Alternative Trade Adjustment Assistance (ATAA). The negative determination applicable to workers of the subject firm was issued on August 14, 2007. The Department's Notice of determination was published in the **Federal Register** on August 30, 2007 (72 FR 50126). Workers at the subject firm produce automatic parts cleaners (parts washers).

The petition, dated August 1, 2007, stated that the subject firm shifted production to a foreign country and that the subject firm will close in November 2007. The petition attachments stated that production of pressure washers at the C-Tech Industries, Camas, Washington plant shifted to an affiliated facility in Monterrey, Mexico, and that "C-Tech industries in Camas, Washington takes over all production of parts washers."

The investigation revealed that neither sales nor production of parts
