### Self-Regulatory Organizations; NYSE Arca, Inc.; Notice of Filing and Order Granting Accelerated Approval of Proposed Rule Change, as Modified by Amendment No. 1 Thereto, To Amend the Initial Listing Standards for Index- Linked Securities

October 1, 2007.

("NYSE Arca" or "Exchange"), through its wholly owned subsidiary, NYSE Arca Equities, Inc. ("NYSE Arca Equities"), filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I and II below, which items have been substantially prepared by the Exchange. #### II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. ##### A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

###### 1. Purpose

The Exchange proposes to amend NYSE Arca Equities Rule 5.2(j)(6)(a) to permit the listing of Index-Linked Securities that do not meet the one million publicly held trading units and/or the 400 minimum number of public holders initial distribution requirements, subject to certain conditions. The Commission has approved a similar proposal filed by the New York Stock Exchange LLC ("NYSE").<sup>4</sup>

NYSE Arca Equities Rule 5.2(j)(6)(a) generally requires that each issue of Index-Linked Securities have at least one million publicly held trading units and that there be at least 400 public beneficial holders of such securities, provided that, if the issue of Index-Linked Securities is traded in thousand dollar denominations, the 400 minimum public beneficial holders initial distribution requirement would not apply. The Exchange proposes to add an additional exemption from the general requirements of NYSE Arca Equities Rule 5.2(j)(6)(a) such that, if an issue of Index-Linked Securities are redeemable at the option of the holders thereof on at least a weekly basis, both the minimum one million publicly held trading units and 400 beneficial holders initial distribution requirements would not apply.

The Exchange believes that, where there is such a weekly redemption right, the same justification exists for an exemption from the requirement to have one million units issued at the time of listing and the minimum 400 public
