Certain Frozen Fish Fillets From the Socialist Republic of Vietnam: Extension of Time Limit for Final Results of the Third Antidumping Duty Administrative Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

EFFECTIVE DATE: January 23, 2008.

FOR FURTHER INFORMATION CONTACT:

Catherine Bertrand, AD/CVD Operations, Office 9, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230; *telephone:* (202) 482-3207.

Background

On August 31, 2007, the Department of Commerce ("Department") issued the preliminary results of this administrative review. *See Certain Frozen Fish Fillets from the Socialist Republic of Vietnam: Notice of Preliminary Results of the Third Antidumping Duty Administrative Review*, 72 FR 53527 (September 19, 2007) ("Preliminary Results"). The final results are currently due on January 17, 2008.

Extension of Time Limits for Final Results

Section 751(a)(3)(A) of the Tariff Act of 1930, as amended ("Act"), and 19 CFR 351.211(b)(5) require the Department to issue the final results in an administrative review of an antidumping duty order 120 days after the date on which the preliminary results are published. The Department may, however, extend the deadline for completion of the final results of an administrative review to 180 days if it determines it is not practicable to complete the review within the foregoing time period. *See* section

751(a)(3)(A) of the Act and 19 CFR 351.213(h)(2).

The Department finds that it is not practicable to complete the final results in the administrative review of certain frozen fish fillets from Vietnam within this time limit. Specifically, the Department needs additional time to consider Respondent East Sea Foods Joint Venture Co., Ltd.'s responses. Additionally, the Department is extending the deadline for the final results to accommodate parties' public hearing requests so parties may address all issues. For the reasons noted above, we are extending the time for the completion of the final results of this review by 60 days to March 17, 2008.

This notice is published in accordance with section 751(a)(3)(A) of the Act and section 351.213(h)(2) of the Department's regulations.

Dated: January 15, 2008.

Stephen J. Claeys,

Deputy Assistant Secretary for Import Administration.

Interested parties are invited to comment on this preliminary determination. We will make our final determination within 135 days after the date of this preliminary determination.

David Goldberger or Kate Johnson, AD/CVD Operations, Office 2, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230; *telephone:* (202) 482-4136 or (202) 482-4929, respectively.

Background

Since the initiation of this investigation (*see Certain Steel Nails from the People's Republic of China and the United Arab Emirates: Initiation of Antidumping Duty Investigations*, 72 FR 38816 (July 16, 2007) (*Initiation Notice*)), the following events have occurred.

On July 30, 2007, the United States International Trade Commission (ITC) preliminarily determined that there is a reasonable indication that imports of nails from the UAE are materially injuring the United States industry. *See* ITC Investigation Nos. 731-TA-1114-1115 (Publication No. 3939).

On August 24, 2007, we selected Dubai Wire FZE (DW), the largest producer/exporter of nails from the UAE, as the mandatory respondent in this proceeding. *See* Memorandum to James Maeder, Director Office 2, from David Goldberger and Kate Johnson, Senior International Trade Compliance Analysts, regarding "Antidumping Duty Investigation of Certain Steel Nails from the United Arab Emirates—Selection of Respondents," dated August 24, 2007. We subsequently issued the antidumping questionnaire to DW and its affiliate Global Fasteners Ltd. (GFL) on August 27, 2007.

DW submitted its Section A and C questionnaire responses on October 9, 2007, and October 18, 2007, respectively. We received a response to Section D of the questionnaire on October 25, 2007. We issued and received responses to our supplemental questionnaires from December 2007 through January 2008.

On October 26, 2007, the petitioners¹ filed a targeted dumping allegation against DW under section 777A(d)(1)(B) of the Act. The Department requested additional information from the petitioners with respect to their targeted dumping allegation on November 30, 2007. The petitioners responded to this request on December 10, 2007. DW submitted comments to dispute the allegation on December 20, 2007. *See* "Targeted Dumping" section below for further discussion.

On November 1, 2007, pursuant to sections 733(c)(1)(B) and (c)(2) of the Act and 19 CFR 351.205(f), the petitioners requested that the Department postpone the preliminary determination due to the complexities

¹ The petitioners are Mid Continent Nail Corporation, Davis Wire Corporation, Gerdau Ameristeel Corporation (Atlas Steel & Wire Division), Maze Nails (Division of W.H. Maze Company), and Treasure Coast Fasteners, Inc. and United Steel, Paper and Forestry, Rubber, Manufacturing, Energy, Allied Industrial and Service Workers International Union.
