#### SUPPLEMENTARY INFORMATION:

##### I. Background

Section 4144 of the Safe, Accountable, Flexible, Efficient Transportation Equity Act: A Legacy for Users (SAFETEA-LU, Pub. L. 109-59) required the Secretary of the U.S. Department of Transportation to establish in FMCSA, a Motor Carrier Safety Advisory Committee. The advisory committee provides advice and recommendations to the FMCSA Administrator on motor carrier safety programs and motor carrier safety regulations. The advisory committee operates in accordance with the Federal Advisory Committee Act (5 U.S.C. App 2). The FMCSA Administrator appointed 15 members to serve on the advisory committee on March 5, 2007.

##### II. Meeting Participation

The meeting is open to the public and FMCSA invites participation by all interested parties, including motor carriers, drivers, and representatives of motor carrier associations. Please note that participants will need to be pre-cleared in advance of the meeting in order to enter the building. By March 7, 2008, e-mail [mcsac@dot.gov](mailto:mcsac@dot.gov) if you plan to attend the meeting to facilitate the pre-clearance process. For information on facilities or services for individuals with disabilities or to request special assistance at the meeting, e-mail [mcsac@dot.gov](mailto:mcsac@dot.gov). As a general matter, the committee will make one hour available for public comments on Wednesday, March 12, 2008, from 4 p.m. to 5 p.m. Individuals wishing to address the committee should send an e-mail to [mcsac@dot.gov](mailto:mcsac@dot.gov) by noon on Tuesday, March 11, 2008. The time available will be reasonably divided among those who have signed up to address the committee, but no one will have more than 15 minutes. **DATES:** This decision is effective March 15, 2008. Comments must be received on or before March 20, 2008.

**ADDRESSES:** You may submit comments bearing the Federal Docket Management System (FDMS) Docket ID FMCSA-05-22727, FMCSA-05-23099, using any of the following methods.

#### SUPPLEMENTARY INFORMATION:

##### Background

Under 49 U.S.C. 31136(e) and 31315, FMCSA may renew an exemption from the vision requirements in 49 CFR 391.41(b)(10), which applies to drivers of CMVs in interstate commerce, for a two-year period if it finds "such exemption would likely achieve a level

of safety that is equivalent to, or greater than, the level that would be achieved absent such exemption." The procedures for requesting an exemption (including renewals) are set out in 49 CFR part 381.

#### Exemption Decision

This notice addresses 8 individuals who have requested a renewal of their exemption in accordance with FMCSA procedures. FMCSA has evaluated these 8 applications for renewal on their merits and decided to extend each exemption for a renewable two-year period. They are:

John R. Alger  
Gene Bartlett, Jr.  
Marland L. Brassfield  
Billy R. Jeffries  
John P. Rodrigues  
Robert V. Sloan  
Gary N. Wilson  
William B. Wilson

These exemptions are extended subject to the following conditions: (1) That each individual have a physical examination every year (a) by an ophthalmologist or optometrist who attests that the vision in the better eye continues to meet the standard in 49 CFR 391.41(b)(10), and (b) by a medical examiner who attests that the individual is otherwise physically qualified under 49 CFR 391.41; (2) that each individual provide a copy of the ophthalmologist's or optometrist's report to the medical examiner at the time of the annual medical examination; and (3) that each individual provide a copy of the annual medical certification to the employer for retention in the driver's qualification file and retain a copy of the certification on his/her person while driving for presentation to a duly authorized Federal, State, or local enforcement official. Each exemption will be valid for two years unless rescinded earlier by FMCSA. The exemption will be rescinded if: (1) The person fails to comply with the terms and conditions of the exemption; (2) the exemption has resulted in a lower level of safety than was maintained before it was granted; or (3) continuation of the exemption would not be consistent with the goals and objectives of 49 U.S.C. 31136(e) and 31315.

#### Basis for Renewing Exemptions

Under 49 U.S.C. 31315(b)(1), an exemption may be granted for no longer than two years from its approval date and may be renewed upon application for additional two year periods. In accordance with 49 U.S.C. 31136(e) and 31315, each of the 8 applicants has satisfied the entry conditions for

obtaining an exemption from the vision requirements (70 FR 71884; 71 FR 4632; 71 FR 4194; 71 FR 13450). Each of these 8 applicants has requested renewal of the exemption and has submitted evidence showing that the vision in the better eye continues to meet the standard specified at 49 CFR 391.41(b)(10) and that the vision impairment is stable. In addition, a review of each record of safety while driving with the respective vision deficiencies over the past two years indicates each applicant continues to meet the vision exemption standards. These factors provide an adequate basis for predicting each driver's ability to continue to drive safely in interstate commerce. Therefore, FMCSA concludes that extending the exemption for each renewal applicant for a period of two years is likely to achieve a level of safety equal to that existing without the exemption.

#### Request for Comments

FMCSA will review comments received at any time concerning a particular driver's safety record and determine if the continuation of the exemption is consistent with the requirements at 49 U.S.C. 31136(e) and 31315. However, FMCSA requests that interested parties with specific data concerning the safety records of these drivers submit comments by March 20, 2008.

FMCSA believes that the requirements for a renewal of an exemption under 49 U.S.C. 31136(e) and 31315 can be satisfied by initially granting the renewal and then requesting and evaluating, if needed, subsequent comments submitted by interested parties. As indicated above, the Agency previously published notices of final disposition announcing its decision to exempt these 8 individuals from the vision requirement in 49 CFR 391.41(b)(10). The final decision to grant an exemption to each of these individuals was based on the merits of each case and only after careful consideration of the comments received to its notices of applications. The notices of applications stated in detail the qualifications, experience, and medical condition of each applicant for an exemption from the vision requirements. That information is available by consulting the above cited **Federal Register** publications.

Interested parties or organizations possessing information that would otherwise show that any, or all of these drivers, are not currently achieving the statutory level of safety should immediately notify FMCSA. The Agency will evaluate any adverse

evidence submitted and, if safety is being compromised or if continuation of the exemption would not be consistent with the goals and objectives of 49 U.S.C. 31136(e) and 31315, FMCSA will take immediate steps to revoke the exemption of a driver.

Issued on: February 11, 2008.
