

Under section 573(c) of the Federal Food, Drug, and Cosmetic Act (the Act) (21 U.S.C. 360ccc–2(c)), this approval qualifies for 7 years of exclusive marketing rights beginning on the date of approval, because the new animal drug has been declared a designated drug by FDA under section 573(a) of the Act.

The agency has determined under 21 CFR 25.33(d)(4) that this action is of a type that does not individually or cumulatively have a significant effect on the human environment. Therefore, neither an environmental assessment nor an environmental impact statement is required.

This rule does not meet the definition of “rule” in 5 U.S.C. 804(3)(A) because it is a rule of “particular applicability.” Therefore, it is not subject to the congressional review requirements in 5 U.S.C. 801–808.

#### DEPARTMENT OF STATE

##### 22 CFR Part 42

[Public Notice: 6114]

#### Visas: Documentation of immigrants Under the Immigration and Nationality Act, as Amended

**AGENCY:** Department of State.

**ACTION:** Final Rule.

**SUMMARY:** This rule revises the procedure for notifying the beneficiary of an immigrant visa petition of the termination of the immigrant visa registration because of the failure of the beneficiary to pursue the application within a specified time, by providing that such notification will be made by National Visa Center directly to the beneficiary.

**DATES:** This rule is effective February 29, 2008.

**FOR FURTHER INFORMATION CONTACT:** Charles Robertson, Legislation and Regulations Division, Visa Services, Department of State, 2401 E Street, NW., Room L–603D, Washington, DC 20520–0106, (202) 663–1202, e-mail ([robertsonce@state.gov](mailto:robertsonce@state.gov)).

**SUPPLEMENTARY INFORMATION:**

### Why is the Department promulgating this rule?

In the past, the consular officer at the post where an alien was registered as a beneficiary of an immigrant visa petition was responsible for notifying the alien of the termination of the immigrant visa registration if the alien failed to pursue the application within one year after being notified that a visa was available. The consular officer based this notification on information received from the National Visa Center (NVC). Now, the NVC will make this notification directly to the alien.

### How does this change affect the alien?

There is no change from the point of view of the alien. The alien still has the ability to apply for reinstatement of the immigrant visa registration. Such application should be sent to the National Visa Center and it will be forwarded to the consular officer at the post where the alien was registered, under the same conditions as before.

### Regulatory Findings

#### *Administrative Procedure Act*

This regulation involves a foreign affairs function of the United States and, therefore, in accordance with 5 U.S.C. 553(a)(1), is not subject to the rule making procedures set forth at 5 U.S.C. 553.

#### *Regulatory Flexibility Act/Executive Order 13272: Small Business*

Because this final rule is exempt from notice and comment rulemaking under 5 U.S.C. 553, it is exempt from the regulatory flexibility analysis requirements set forth at sections 603 and 604 of the Regulatory Flexibility Act (5 U.S.C. 603 and 604). Nonetheless, consistent with section 605(b) of the Regulatory Flexibility Act (5 U.S.C. 605(b)), the Department certifies that this rule will not have a significant economic impact on a substantial number of small entities. This regulates individual aliens who seek consideration for immigrant visas and does not affect any small entities, as defined in 5 U.S.C. 601(6).

#### *The Unfunded Mandates Reform Act of 1995*

Section 202 of the Unfunded Mandates Reform Act of 1995 (UFMA), Public Law 104-4, 109 Stat. 48, 2 U.S.C. 1532, generally requires agencies to prepare a statement before proposing any rule that may result in an annual expenditure of \$100 million or more by State, local, or tribal governments, or by the private sector. This rule will not result in any such expenditure, nor will

it significantly or uniquely affect small governments.

#### *The Small Business Regulatory Enforcement Fairness Act of 1996*

This rule is not a major rule as defined by 5 U.S.C. 804, for purposes of congressional review of agency rulemaking under the Small Business Regulatory Enforcement Fairness Act of 1996, Public Law 104-121. This rule will not result in an annual effect on the economy of \$100 million or more; a major increase in costs or prices; or adverse effects on competition, employment, investment, productivity, innovation, or the ability of United States-based companies to compete with foreign based companies in domestic and import markets.

#### *Executive Order 12866*

The Department of State has reviewed this final rule to ensure its consistency with the regulatory philosophy and principles set forth in Executive Order 12866 and has determined that the benefits of the final regulation justify its costs. The Department does not consider the final rule to be an economically significant action within the scope of section 3(f)(1) of the Executive Order since it is not likely to have an annual effect on the economy of \$100 million or more or to adversely affect in a material way the economy, a sector of the economy, competition, jobs, the environment, public health or safety, or state, local or tribal governments or communities.

#### *Executive Orders 12372 and 13132: Federalism*

This regulation will not have substantial direct effects on the States, on the relationship between the national government and the States, or the distribution of power and responsibilities among the various levels of government. Nor will the rule have federalism implications warranting the application of Executive Orders No. 12372 and No. 13132.

#### *Paperwork Reduction Act*

This rule does not impose information collection requirements under the provisions of the Paperwork Reduction Act, 44 U.S.C., Chapter 35.

#### **List of Subjects in 22 CFR Part 42**

■ 2. Revise § 42.83(c) to read as follows:

#### **§ 42.83 Termination of registration.**

\* \* \* \* \*

(c) *Notice of termination.* Upon the termination of registration under paragraph (a) of this section, the National Visa Center (NVC) shall notify the alien of the termination. The NVC shall also inform the alien of the right to have the registration reinstated if the alien, before the end of the second year after the missed appointment date if paragraph (a) applies, establishes to the satisfaction of the consular officer at the post where the alien is registered that the failure to apply for an immigrant visa was due to circumstances beyond the alien's control. If paragraph (b) applies, the consular officer at the post where the alien is registered shall, upon the termination of registration, notify the alien of the termination and the right to have the registration reinstated if the alien, before the end of the second year after the INA 221(g) refusal, establishes to the satisfaction of the consular officer at such post that the failure to present evidence purporting to overcome the ineligibility under INA 221(g) was due to circumstances beyond the alien's control.
