Partially Closed Meeting

EPA ORD is conducting an independent expert review through the BOSC, of its Homeland Security Research Program. The BOSC's Homeland Security Subcommittee will conduct a prospective and retrospective review of ORD's National Homeland Security Research Center's (NHSRC) Research Program, and evaluate the program's relevance, quality, performance, and scientific leadership. The BOSC's evaluation and recommendations will provide guidance to ORD NHSRC.

It is EPA's policy to follow the provisions of the Federal Advisory Committee Act (FACA) for subcommittees of its chartered advisory committees, and to have meetings that are open to the public. However, to allow for the review and discussion of classified national security information, EPA has determined that a portion of the face-to-face meeting on May 28, 2008 (9 a.m. to 12 p.m.) and May 30, 2008 (8 a.m. to 9 a.m.) should be closed to the public pursuant to section 10(d) of the Federal Advisory Committee Act (FACA), 5 U.S.C. meeting, a review of classified national security information by the subcommittee will provide additional context and explanation for the direction and scope of the research program, as well as for the specific research conducted by NHSRC.
