

**Subpart GGGa—[Amended]**

11. Section 60.590a is amended by adding paragraph (e) to read as follows:

**§ 60.590a Applicability and designation of affected facility.**

\* \* \* \* \*

(e) *Stay of standards.* Owners or operators are not required to comply with the definition of “process unit” in § 60.590 of this subpart until the EPA takes final action to require compliance and publishes a document in the **Federal Register**. While the definition of “process unit” is stayed, owners or operators should use the following definition:

*Process unit* means components assembled to produce intermediate or final products from petroleum, unfinished petroleum derivatives, or other intermediates; a process unit can operate independently if supplied with sufficient feed or raw materials and sufficient storage facilities for the product.

**§ 60.591a [Amended]**

12. In § 60.591a, the definition of “process unit” is stayed from August 1, 2008 until further notice.

**Designation of Medically Underserved Populations and Health Professional Shortage Areas**

**AGENCY:** Department of Health and Human Services (HHS).

**ACTION:** Notice of proposed rulemaking; extension of public comment period.

**SUMMARY:** On April 21, 2008, HHS published a 30-day extension to the public comment period and provided clarification on the notice of proposed rulemaking, “Designation of Medically Underserved Populations and Health Professional Shortage Areas” (73 FR 21300). HHS and the Health Resources and Services Administration (HRSA) have received requests for a further extension to the comment period. In consideration of these requests, HHS is extending the comment period an additional 30 days, with a new closing date of June 30, 2008.

**DATES:** Written comments on this proposed rule must be submitted on or before June 30, 2008. Please refer to

**SUPPLEMENTARY INFORMATION** for additional information.

**FOR FURTHER INFORMATION CONTACT:** Andy Jordan, 301–594–0197.

**SUPPLEMENTARY INFORMATION:** During the public comment period, HRSA has encouraged State Primary Care Offices (PCOs) to apply the proposed methodology using their own State and local data to see how well it works in identifying areas in need in their States. HRSA has provided assistance, tools, and data to support States in their efforts and will continue to do so. In order to facilitate a better understanding of the proposed rule, HRSA provided PCOs with a calculator that applies the formulas proposed in the rule to determine designation, with data files, as well as with technical assistance in using the calculator. HRSA has also provided the names of PCOs who, with their expertise with different data sources, may be able to offer some technical assistance to their colleagues.

**Endangered and Threatened Wildlife and Plants; 90-Day Finding on a Petition To List the Cactus Ferruginous Pygmy-Owl (*Glaucidium ridgwayi cactorum*) as Threatened or Endangered With Critical Habitat**

**AGENCY:** Fish and Wildlife Service, Interior.

**ACTION:** Notice of 90-day petition finding and initiation of status review.

**SUMMARY:** We, the U.S. Fish and Wildlife Service (Service), announce a 90-day finding on a petition to list the cactus ferruginous pygmy-owl (*Glaucidium ridgwayi cactorum*) (pygmy-owl) as threatened or endangered under the Endangered Species Act of 1973, as amended (Act). We find that the petition presents substantial scientific or commercial information indicating that listing the pygmy-owl may be warranted. Therefore, with the publication of this notice, we are initiating a status review of the species, and we will issue a 12-month finding on our determination as

to whether the petitioned action is warranted. To ensure that the status review of the pygmy-owl is comprehensive, we are soliciting information and data regarding this species. We will make a determination on critical habitat for this species if and when we initiate a listing action.

**DATES:** We made the finding announced in this document on June 2, 2008. To allow us adequate time to conduct this review, we request that information be submitted on or before August 1, 2008.

**ADDRESSES:** You may submit comments by one of the following methods:

- Federal eRulemaking Portal: <http://www.regulations.gov>. Follow the instructions for submitting comments.

- U.S. mail or hand delivery: Public Comments Processing, Attn: [FWS–R2–ES–2008–0070]; Division of Policy and Directives Management; U.S. Fish and Wildlife Service; 4401 N. Fairfax Drive, Suite 222; Arlington, VA 22203.

We will not accept e-mail or faxes. We will post all submissions on <http://www.regulations.gov>. This generally means that we will post any personal information you provide us (see the Information Solicited section below for more information).

**SUPPLEMENTARY INFORMATION:****Information Solicited**

When we make a finding that a petition presents substantial information to indicate that listing a species may be warranted, we are required to promptly commence a review of the status of the species. To ensure that the status review is complete and based on the best available scientific and commercial information, we are soliciting information on the status of the pygmy-owl. We request any additional information from the public, other concerned governmental agencies, Native American Tribes, the scientific community, industry, or any other interested parties concerning the status of the pygmy-owl. We are seeking information regarding the species' historical and current status and distribution, its biology and ecology, ongoing conservation measures for the species and its habitat; and threats to the species or its habitat. Specifically,
