Pursuant to 19 CFR 351.103 (c), the Department will maintain and make available a service list for these proceedings. To facilitate the timely preparation of the service list(s), it is requested that those seeking recognition as interested parties to a proceeding contact the Department in writing within 10 days of the publication of the Notice of Initiation.

Because deadlines in Sunset Reviews can be very short, we urge interested parties to apply for access to proprietary information under administrative protective order ("APO") immediately following publication in the **Federal Register** of this notice of initiation by filing a notice of intent to participate. The Department's regulations on submission of proprietary information and eligibility to receive access to business proprietary information under APO can be found at 19 CFR 351.304-306.

participate from at least one domestic interested party by the 15-day deadline, the Department will automatically revoke the order without further review. See 19 CFR 351.218(d)(1)(iii).

If we receive an order-specific notice of intent to participate from a domestic interested party, the Department's regulations provide that all parties wishing to participate in the Sunset Review must file complete substantive responses not later than 30 days after the date of publication in the **Federal Register** of this notice of initiation. The required contents of a substantive response, on an order-specific basis, are set forth at 19 CFR 351.218(d)(3). Note that certain information requirements differ for respondent and domestic parties. Also, note that the Department's information requirements are distinct from the Commission's information requirements.<sup>1</sup> Please consult the Department's regulations for information regarding the Department's conduct of Sunset Reviews. Please consult the Department's regulations at 19 CFR Part 351 for definitions of terms and for other general information concerning antidumping and countervailing duty proceedings at the Department.

This notice of initiation is being published in accordance with section 751(c) of the Act and 19 CFR 351.218 (c).

<sup>1</sup> In comments made on the interim final sunset regulations, a number of parties stated that the proposed five-day period for rebuttals to substantive responses to a notice of initiation was insufficient. This requirement was retained in the final sunset regulations at 19 CFR 351.218(d)(4). As provided in 19 CFR 351.302(b), however, the Department will consider individual requests to extend that five-day deadline based upon a showing of good cause.

#### **Certain Forged Stainless Steel Flanges from India; Preliminary Intent to Rescind Administrative Review and Rescission in Part**

**AGENCY:** Import Administration, International Trade Administration, Department of Commerce.

**SUMMARY:** The Department of Commerce (the Department) is conducting an administrative review of the antidumping duty order on certain forged stainless steel flanges (stainless steel flanges) from India manufactured by Pradeep Metals Limited (Pradeep), Echjay Forgings Pvt., Ltd. (Echjay) and Hotmetal Forge (India) Pvt. Ltd. (Hotmetal). The period of review (POR) is February 1, 2007, through January 31, 2008. We preliminarily determine that Pradeep had no *bona fide* U.S. sales during the period of review (POR), and therefore, we intend to rescind the review. We are also rescinding the review with respect to Echjay and Hotmetal because they both withdrew their requests for the review, and no other party requested a review of these companies.

We invite interested parties to comment on this preliminary intent to rescind with respect to Pradeep. Parties who submit argument in these proceedings are requested to submit with the argument: (1) a statement of the issues; and (2) a brief summary of the argument.
