

and read the college student's advice for high school students. Each student's profile would include their first name, photo, major and brief description about the student, such as where they are studying, and tips for other students. For the Career Tool feature, the site would show 24 different college grads at a time, but the goal would be to have about 75 that we could "shuffle" on the tool's display. Each college grad's profile would provide their first name, major, career field, and advice for students interested in their field of study. This information clearance will enable the Department to college grad profiles for including in the Career Tool and I'm Going Guide.

Submission for OMB Review; Comment Request

AGENCY: Department of Education.

SUMMARY: The Director, Information Collection Clearance Division, Regulatory Information Management Services, Office of Management invites comments on the submission for OMB review as required by the Paperwork Reduction Act of 1995.

DATES: Interested persons are invited to submit comments on or before April 24, 2009.

ADDRESSES: Written comments should be addressed to the Office of Information and Regulatory Affairs, Attention: Education Desk Officer,

Office of Management and Budget, 725 17th Street, NW., Room 10222, New Executive Office Building, Washington, DC 20503 or faxed to (202) 395-6974.

SUPPLEMENTARY INFORMATION: Section 3506 of the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35) requires that the Office of Management and Budget (OMB) provide interested Federal agencies and the public an early opportunity to comment on information collection requests. OMB may amend or waive the requirement for public consultation to the extent that public participation in the approval process would defeat the purpose of the information collection, violate State or Federal law, or substantially interfere with any agency's ability to perform its statutory obligations. The Director, Regulatory Information Management Services, Office of Management, publishes that notice containing proposed information collection requests prior to submission of these requests to OMB. Each proposed information collection, grouped by office, contains the following: (1) Type of review requested, e.g. new, revision, extension, existing or reinstatement; (2) Title; (3) Summary of the collection; (4) Description of the need for, and proposed use of, the information; (5) Respondents and frequency of collection; and (6) Reporting and/or Recordkeeping burden. OMB invites public comment.

Dated: March 19, 2009.

Federal Energy Regulatory Commission

[Project No. 2655-000]

Eagle & Phenix Hydro Company, Inc.; Notice of Authorization for Continued Project Operation

March 18, 2009.

On February 26, 2009, Eagle & Phenix Hydro Company, Inc., licensee for the Eagle and Phenix Hydroelectric Project, filed a Notice of Intent to file an Application for Surrender of License for the Project. The Eagle & Phenix Hydroelectric Project is located on the Chattahoochee River in Muscogee County, Georgia and Russell County, Alabama.

The license for Project No. 2655 was issued for a period ending February 28, 2009. Section 15(a)(1) of the FPA, 16 U.S.C. 808(a)(1), requires the Commission, at the expiration of a license term, to issue from year-to-year an annual license to the then licensee under the terms and conditions of the prior license until a new license is issued, or the project is otherwise disposed of as provided in section 15 or any other applicable section of the FPA. If the project's prior license waived the applicability of section 15 of the FPA, then, based on section 9(b) of the Administrative Procedure Act, 5 U.S.C. 558(c), and as set forth at 18 CFR 16.21(a), if the licensee of such project has filed an application for a subsequent license, the licensee may continue to operate the project in accordance with the terms and conditions of the license after the minor or minor part license expires, until the Commission acts on its application. If the licensee of such a project has not filed an application for a subsequent license, then it may be required, pursuant to 18 CFR 16.21(b), to continue project operations until the Commission issues someone else a license for the project or otherwise orders disposition of the project.

If the project is subject to section 15 of the FPA, notice is hereby given that an annual license for Project No. 2655 is issued to Eagle & Phenix Hydro Company, Inc for a period effective March 1, 2009 through February 28,
