

The Commission further determined that the public interest factors enumerated in section 337(d)(1) (19 U.S.C. 1337(d)(1)) do not preclude issuance of the limited exclusion order or the cease and desist order. Finally, the Commission determined that no bond is required to permit temporary importation during the period of Presidential review (19 U.S.C. 1337(j)). The Commission's orders and opinion were delivered to the President and to the United States Trade Representative on the day of its issuance.

The Commission has terminated this investigation. The authority for the Commission's determination is contained in section 337 of the Tariff Act of 1930, as amended (19 U.S.C. 1337), and in sections 210.42, 210.45, and 210.50 of the Commission's Rules of Practice and Procedure (19 CFR 210.42, 210.45, 210.50).

By order of the Commission.
Issued June 24, 2009.

Marilyn R. Abbott,

Secretary to the Commission.
