IV. Cancellation Order

Pursuant to FIFRA section 6(f), EPA hereby approves the requested cancellations of registrations identified in Table 1 of Unit II. Any distribution, sale or use of existing stock of the products identified in Table I of Unit II in a manner

inconsistent with any of the Provisions for Disposition of Existing Stocks set forth in Unit VI will be considered a violation of FIFRA.

V. What is the Agency's Authority for Taking this Action?

Section 6(f)(1) of FIFRA provides that a registrant of a pesticide product may at any time request that any of its pesticide registrations be canceled or amended to terminate one or more uses. FIFRA further provides that, before acting on the request, EPA must publish a notice of receipt of any such request in the **Federal Register**. Thereafter, following the public comment period, the Administrator may approve such a request.

VI. Provisions for Disposition of Existing Stocks

Existing stocks are those stocks of registered pesticide products which are currently in the United States and which were packaged, labeled, and released for shipment prior to the effective date of the cancellation action. The cancellation order issued in this notice includes the following existing stock provisions. Bayer (Bayer CropScience, Bayer Environmental Science, and Bayer Advanced) may sell and distribute existing stocks of EPA Reg. Nos. 264–725, 264–729, 264–734, 264–741, 264–744, 264–1020, 264–1021, and 432–1286 until December 31, 2010. Bayer may sell and distribute existing stocks of EPA Reg. Nos. 264–723 and 72155–49 until June 30, 2011. Amvac Chemical Corp. may sell and distribute existing stocks of EPA Reg. No. 5481–8989 until December 31, 2010. For both methamidophos and disulfoton, Bayer and Amvac may sell and distribute existing stocks of State-registered products until December 31, 2010. For all affected methamidophos and disulfoton products, persons other than Bayer and AMVAC may sell and distribute existing stocks until exhausted. Use of the products canceled by this Notice may continue until existing stocks are exhausted, provided that such use is consistent with the terms of the previously approved labeling on, or that accompanied, the canceled products. The foregoing applies to all products in Table 1, both State-registered and federally-registered products.
