Disclosure

We will disclose the calculations performed for these amended final results within five days of the date of publication of this notice to interested parties in accordance with 19 CFR 351.224(b).

Assessment Rate

The Department will determine, and U.S. Customs and Border Protection ("CBP") shall assess, antidumping duties on all appropriate entries of subject merchandise in accordance with the final results of this review. For assessment purposes, we calculated exporter/importer- (or customer) -specific assessment rates for merchandise subject to this review. Where appropriate, we calculated an *ad valorem* rate for each importer (or customer) by dividing the total dumping margins for reviewed sales to that party by the total entered values associated with those transactions. For duty-assessment rates calculated on this basis, we will direct CBP to assess the resulting *ad valorem* rate against the entered customs values for the subject merchandise. Where appropriate, we calculated a per-unit rate for each importer (or customer) by dividing the total dumping margins for reviewed sales to that party by the total sales quantity associated with those transactions. For duty-assessment rates calculated on this basis, we will direct

CBP to assess the resulting per-unit rate against the entered quantity of the subject merchandise. Where an importer- (or customer) -specific assessment rate is *de minimis* (i.e., less than 0.50 percent), the Department will instruct CBP to assess that importer (or customer's) entries of subject merchandise without regard to antidumping duties. The Department intends to issue appropriate assessment instructions directly to CBP 15 days after publication of the amended final results of these reviews.

Cash Deposit Requirements

The following cash deposit requirements will be effective retroactively on any entries made on or after August 17, 2009, the date of publication of the *Final Results*, for all shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication date, as provided for by section 751(a)(2)(C) of the Act: (1) For the exporters listed above, the cash deposit rate will be the rate shown for this company (except if the rate is *de minimis*, i.e., less than 0.5 percent, a zero cash deposit will be required for that company); (2) for previously investigated or reviewed PRC and non-PRC exporters not listed above that have separate rates, the cash deposit rate will continue to be the exporter-specific rate published for the most recent period; (3)

for all PRC exporters of subject merchandise which have not been found to be entitled to a separate rate, the cash deposit rate will be the PRC-wide rate of 216.01 percent; and (4) for all non-PRC exporters of subject merchandise which have not received their own rate, the cash deposit rate will be the rate applicable to the PRC exporters that supplied that non-PRC exporter. These deposit requirements shall remain in effect until further notice.

These amended final results are published in accordance with sections 751(h) and 777(i)(1) of the Act.

Dated: October 22, 2009.

Ronald K. Lorentzen,

Acting Assistant Secretary for Import Administration.

Silicon Metal From the People's Republic of China: Notice of Extension of Time Limit for the Final Results of the 2007-2008 Administrative Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

DATES: *Effective Date:* October 29, 2009.

FOR FURTHER INFORMATION CONTACT: Jerry Huang, Susan Pulongbarit, or Bobby Wong, AD/CVD Operations, Office 9, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230; telephone (202) 482-4047, (202) 482-4031, or (202) 482-0409, respectively.

Background

On July 9, 2009, the Department of Commerce ("Department") published in the **Federal Register** the preliminary results of the 2007-2008 administrative review of the antidumping duty order on silicon metal from the People's Republic of China ("PRC"), covering the period June 1, 2007, through May 31, 2008. See *Silicon Metal from the People's Republic of China: Preliminary Results and Preliminary Rescission, in Part, of Antidumping Duty Administrative Reviews*, 74 FR 32,885 (July 9, 2009). The final results are currently due no later than November 6, 2009.

Extension of Time Limit for the Final Results

Section 751(a)(3)(A) of the Tariff Act of 1930, as amended ("Act"), requires that the Department issue the final results of an administrative review within 120 days after the date on which the preliminary results are published. If it is not practicable to complete the review within that time period, section 751(a)(3)(A) of the Act allows the Department to extend the deadline for the final results to a maximum of 180 days after the date on which the preliminary results are published.

The Department requires additional time to properly consider the issues raised by interested parties regarding the treatment of Value-Added Tax, surrogate values for factors of production, and numerous company-specific issues. Thus, it is not practicable to complete this review by November 6, 2009. Therefore, the Department is extending the time limit for completion of the final results of this review by 31 days, in accordance with section 751(a)(3)(A) of the Act. The final results are now due no later than December 7, 2009.

We are issuing and publishing this notice in accordance with sections 751(a)(1) and 777(i)(1) of the Act.

Dated: October 23, 2009.

John M. Andersen,

Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.

Stainless Steel Bar From Brazil: Extension of Time Limit for Preliminary Results of Antidumping Duty Administrative Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

FOR FURTHER INFORMATION CONTACT: Catherine Cartos, AD/CVD Operations, Office 5, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230; telephone: (202) 482-1757.

SUPPLEMENTARY INFORMATION:

Background

At the request of interested parties, the Department of Commerce (the Department) initiated an administrative review of the antidumping duty order on certain stainless steel bar from Brazil for the period February 1, 2008, through January 31, 2009. See *Initiation of Antidumping and Countervailing Duty Administrative Reviews and Requests for Revocation in Part*, 74 FR 12310 (March 24, 2009). The preliminary results of this administrative review are currently due no later than October 31, 2009.

Extension of Time Limit for Preliminary Results

Section 751(a)(3)(A) of the Tariff Act of 1930, as amended (the Act), requires the Department to make a preliminary determination within 245 days after the last day of the anniversary month of an order for which a review is requested and a final determination within 120 days after the date on which the preliminary determination is published. If it is not practicable to complete the review within these time periods, section 751(a)(3)(A) of the Act allows the Department to extend the time limit for the preliminary determination to a maximum of 365 days after the last day of the anniversary month of the order. See also 19 CFR 351.213(h).

We determine that it is not practicable to complete the preliminary results of this review by the current deadline of

October 31, 2009, for several reasons. Specifically, the Department has granted the respondent, Villares Metals S.A. (Villares), several extensions to respond to the original and supplemental questionnaires. Thus, the Department needs additional time to review and analyze the responses submitted by Villares. Further, the Department requires additional time to review issues such as corporate affiliations and steel grades of products reported by Villares as it will affect the Department's matching methodology in this case. Finally, the petitioners submitted a cost allegation on September 9, 2009. We require additional time to examine the cost allegation and consider whether to initiate and conduct a cost investigation. Therefore, we are extending the time period for issuing the preliminary results of this review by 90 days until January 29, 2010.

This notice is published in accordance with sections 751(a)(3)(A) and 777(i)(1) of the Act and 19 CFR 351.213(h)(2).

Dated: October 23, 2009.

John M. Andersen,

Acting Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.

Foreign-Trade Zones Board

[Docket 44-2009]

Foreign-Trade Zone 25—Port Everglades, FL; Application for Subzone South Florida Materials Corporation (Fuel Product Storage) Port Everglades, FL

An application has been submitted to the Foreign-Trade Zones Board (the Board) by Broward County, Florida, grantee of FTZ 25, requesting special-purpose subzone status for the fuel product distribution terminal of South Florida Materials Corporation (SFMC), located in Port Everglades, Florida. The application was submitted pursuant to the provisions of the Foreign-Trade Zones Act, as amended (19 U.S.C. 81a-81u), and the regulations of the Board (15 CFR part 400). It was formally filed on October 22, 2009.

The SFMC terminal (8 employees, 9.93 acres, 1.3 million barrel capacity) is located at 1200 SE. 32nd Street, Port Everglades, Florida. The facility primarily is used for the receipt, storage and distribution of jet fuel by pipeline to carriers operating at the Miami International and Fort Lauderdale
