

cause impairment to the Memorial, and all enhancements will be required to be located in such a manner as to preserve the integrity of the National Historic Landmark and National Register Historic District.

In addition to considering the "winning" ideas from the competition, the NPS will continue the educational and interpretive programs currently offered at the Memorial and expand opportunities for visitors to participate in more interactive experiences across the Memorial grounds. The grounds surrounding the Gateway Arch will be managed in such a way as to accommodate and promote more visitor activities and special events than are currently provided.

The NPS will actively coordinate with the city and State to enhance the pedestrian environment around the Memorial by developing a unifying streetscape along the Gateway Mall and the other streets adjacent to the Memorial, including Leonor K. Sullivan Boulevard and the riverfront levee.

The ROD includes a statement of the decision made, synopses of other alternatives considered, the basis for the decision, a description of the environmentally preferable alternative, a finding on impairment of park resources and values, a listing of measures to minimize environmental harm, and an overview of public involvement in the decision-making process.

FOR FURTHER INFORMATION CONTACT:

Copies of the ROD can be obtained by contacting Superintendent Thomas Bradley, Jefferson National Expansion Memorial, 11 North 4th Street, St. Louis, Missouri 63102. SUPPLEMENTARY INFORMATION:

I. Background

Notice was published in the **Federal Register** on November 12, 2010, that the BIA would conduct five tribal consultation meetings on the BIA draft revisions to 25 CFR part 81 and 25 CFR part 82. The background described in the Notice reads:

In 1992, the BIA drafted revisions to 25 CFR part 81 and 25 CFR part 82 and held four consultation sessions. The BIA received comments and recommendations that are now in the current draft version. The current draft version also:

- Incorporates the amendments made to section 16 of the IRA, 25 U.S.C. 476 (48 Stat. 984), as amended by the Act of November 1, 1988 (Pub. L. 100-581, 102 Stat. 2938), which established time frames within which the Secretary of the Interior must call and conduct Secretarial elections;

- Reflects the amendments made to section 17 of the IRA by the Act of May 24, 1990 (Pub. L. 101-301, 104 Stat. 207) under which additional tribes may petition for charter of incorporation and removes the requirement of a Secretarial election to ratify new charters;

- Reflects the addition of two new subsections to section 16 of the IRA by the Technical Corrections Act of 1994 (Pub. L. 103-363, 108 Stat. 707), which eliminates distinctions between Indians reorganized as historical tribes and those reorganized as communities of adult Indians;

- Includes language clarifying that an IRA tribe may amend its constitution to remove Secretarial approval of future amendments as indicated by the new subsection to Section 16 of the IRA with the enactment of the Native American Technical Corrections Act of 2004 (Pub. L. 106-179, 118 Stat. 453);

- Provides guidelines for the approval or disapproval of charters by the Secretary; and

- Corrects demonstrated weaknesses and clarifies confusing language in the existing regulations.

A consultation booklet containing the current draft version of the rule will be available for the meetings and will be distributed to federally recognized Indian tribes and BIA regional and agency offices.

II. Meeting Details

The additional final Tribal consultation meeting will be held on February 4, 2010 at the Bureau of Indian Affairs national Indian Programs Training Center, 1011 Indian School
