

Open Government into the core mission objectives of [the] agency.” Open Government Plans are to set forth how each agency plans to improve transparency, public participation and collaboration. Open Government Plans also are to describe at least one “flagship initiative” the agency is already implementing or will implement to improve transparency, public participation, or collaboration. The Open Government Directive has established April 7, 2010, as the due date for publication of agency Open Government Plans, and the NRC will seek to meet that deadline. The Open Government Directive, available at the Internet address listed above, provides further details on the contents of agency Open Government Plans.

To aid the NRC’s efforts to determine what data sets might be appropriate to publish and what transparency, public participation, and collaboration improvements it might include in its Open Government Plan, the NRC is soliciting public comments. Comments regarding publication of data sets are requested as soon as possible in light of the January 22, 2010, target date for publication of data sets. Please note that there is not yet a draft available of the NRC’s Open Government Plan, and the NRC is not yet certain when a draft will be available. If a draft is developed sufficiently prior to the April 7, 2010, deadline to allow time for meaningful public comment on the draft, the draft will be posted on the NRC’s forthcoming Open Government Web page, which, consistent with the Open Government Directive, the NRC plans to establish by February 6, 2010. The NRC’s Open Government Web page will be located at <http://www.nrc.gov/open>. The NRC’s Open Government Web page will also itself offer opportunities to provide input to the NRC regarding the Open Government Plan, both before and after the plan is published. Once the Open Government Plan is published, updates would be scheduled to occur every 2 years, and opportunities for public input would be provided in connection with these updates as well. With respect to the Open Government Plan, the NRC is providing a 30-day comment period.

Dated at Rockville, Maryland this 4th day of January, 2010.

For the Nuclear Regulatory Commission.
