IV. Commission's Findings and Order Granting Accelerated Approval of Proposed Rule Change

The Commission finds that the proposed rule change is consistent with the requirements of the Act and the rules and regulations thereunder applicable to a national securities exchange.⁸ Specifically, the Commission finds that the proposed rule change is consistent with Section 6(b)(4)⁹ of the Act, which requires that the rules of a national securities exchange provide for the equitable allocation of reasonable dues, fees, and other charges among members and issuers and other persons using its facilities.

As described more fully above, ISE recently amended DECN's fee schedule for ISE Members pursuant to SR-ISE-2009-108 (the "Member Fee Filing"). The fee changes made pursuant to the Member Fee Filing became operative on January 1, 2010. DECN receives rebates and is charged fees for transactions it executes on EGDG or EDGA in its capacity as an introducing broker for its non-ISE member subscribers.

The current proposal, which will apply retroactively to January 1, 2010,

will allow DECN to pass through the revised rebates and fees to the non-ISE member subscribers for which it acts as an introducing broker. The Commission finds that the proposal is consistent with the Act because it will provide rebates and charge fees to non-ISE member subscribers that are equivalent to those established for ISE member subscribers in the Member Fee Filing.¹⁰

ISE has requested that the Commission find good cause for approving the proposed rule change prior to the thirtieth day after publication of notice of filing thereof in the **Federal Register**. As discussed above, the proposal will allow DECN to pass through to non-ISE member subscribers the revised rebate and fees established for ISE member subscribers in the Member Fee Filing, resulting in equivalent rebates and fees for ISE member and non-member subscribers. In addition, because the proposal will apply the revised rebates and fees retroactively to January 1, 2010, the revised rebates and fees will have the same effective date, thereby promoting consistency in the DECN's fee schedule. Accordingly, the Commission finds good cause, pursuant to Section 19(b)(2) of the Act, for approving the proposed rule change prior to the thirtieth day after the date of publication of notice of filing thereof in the **Federal Register**.

V. Conclusion

It is therefore ordered, pursuant to Section 19(b)(2) of the Act,¹¹ that the proposed rule change (SR-ISE-2009-109) be, and hereby is, approved on an accelerated basis.

For the Commission, by the Division of Trading and Markets, pursuant to delegated authority.¹²

Florence E. Harmon,
Deputy Secretary.

Research and Innovative Technology Administration

University Transportation Centers (UTC) Program Grants (49 U.S.C. 5506); Suspension of Competitions

AGENCY: Research and Innovative Technology Administration, DOT.

ACTION: Notice.

SUMMARY: The U.S. Department of Transportation is providing notice that it intends to suspend competitions for its University Transportation Centers (UTC) Program grants (49 USC 5506) pending the enactment of multi-year, surface transportation authorization legislation that is necessary to define the purpose, eligibility, number, and funding amounts of any future grants.

DATES: Dates for future UTC competitions are not known at this time. As more information is available about future grant competitions, it will be posted on the UTC Program's Web site, <http://utc.dot.gov>.

FOR FURTHER INFORMATION CONTACT: Dr. Curtis Tompkins, University Transportation Centers Program, Office of Research, Development and Technology, RDT-30, Research and

Innovative Technology Administration, 1200 New Jersey Avenue, SE., Washington, DC 20590. Telephone Number (202) 366-2125, Fax Number (202) 493-2993 or E-mail curtis.tompkins@dot.gov.

SUPPLEMENTARY INFORMATION:

Background

The Safe, Accountable, Flexible, Efficient Transportation Equity Act: A Legacy for Users (SAFETEA-LU, Pub. L. 109-59, as amended by Pub. L. 110-244) requires the Research and Innovative Technology Administration (RITA) of the U.S. Department of Transportation (U.S. DOT) to complete competitions for Regional UTCs by March 31, 2010, and for Tier I UTCs by June 30, 2010. Because there is no surface transportation authorization legislation or other authorizing vehicle yet in place to state the structure and funding of the UTC Program beyond Federal Fiscal Year 2009, and because of the burden that would be placed on applicants to pursue a competition process that has a high likelihood of being voided should a multi-year, surface transportation authorization substantially change the terms and conditions of the UTC Program and grants to be issued under that program, the Research and Innovative Technology Administration is suspending these competitions until such time as a multi-year surface transportation authorization has been enacted.

Issued in Washington, DC, on December 18, 2009.

Administrator.
