

Technological Literacy. The framework covers a broad range of content and practices related to technology and society; design and systems; and information and communication technology. The draft framework was developed during a multi-year, widely-inclusive process. WestEd has conducted numerous forums and other outreach activities to obtain input and feedback on earlier drafts of the assessment framework. This public hearing scheduled for January 28, 2010 is the final forum for interested individuals and organizations to provide feedback on the framework, prior to Board action in early March 2010.

The draft framework is available on the Governing Board Web site at <http://www.nagb.org> and on the Technological Literacy project Web site at <http://www.naep-tech2012.org>. Other related material on the Governing Board and NAEP may be found at <http://www.nagb.org> and at <http://www.nces.ed.gov/nationsreportcard>.

The Board is seeking comment from policymakers, teachers, researchers, state and local school administrators, business representatives, members of interested organizations, and members of the public. Representatives of the Governing Board will conduct the hearing to receive testimony and ask clarifying questions or respond to presentations. Oral testimony should not exceed ten minutes. Testimony will become part of the public record.

To register to present oral testimony on January 28, 2010 at the Washington Court Hotel, in Washington, DC, please call Tessa Regis, of the National Assessment Governing Board staff, at 202-357-7500 or send an e-mail to tessa.regis@ed.gov by 4:00 p.m. (Eastern Time) on Tuesday, January 26, 2010. Written testimony should be sent by mail, fax or e-mail for receipt in the Board office by January 28, 2010. All views will be considered by the Board's Assessment Development Committee and by the full Board. It is anticipated that the Committee will make recommendations to the Governing Board at the Governing Board meeting on March 4-6, 2010.

The Board will make an effort to receive testimony from all persons who wish to present testimony at the hearing, without prior registration, but may not be able to do so. Speakers are encouraged to register in advance and to bring written statements for distribution at the hearing.

Testimony should be sent to: National Assessment Governing Board, 800 North Capitol Street, NW., Suite 825, Washington, DC 20002, Attention: Tessa

Regis, Fax: (202) 357-6945, e-mail: tessa.regis@ed.gov.

FOR FURTHER INFORMATION CONTACT:

Tessa Regis or Mary Crovo, National Assessment Governing Board, 800 North Capitol Street, NW., Suite 825, Washington, DC 20002-4233, Telephone: (202) 357-6938.

SUPPLEMENTARY INFORMATION: The National Assessment Governing Board is established under section 412 of the National Education Statistics Act of 1994, as amended. The Board formulates policy guidelines for the National Assessment of Educational Progress (NAEP).

Specific questions that the Board seeks responses to include the following:

1. Does the content described in the draft framework represent important information and reasonable expectations for student achievement in technological literacy?

2. Is there an appropriate balance among different areas of technological literacy at grades 4, 8, and 12?

3. Are the skills and practices in the framework treated satisfactorily with appropriate emphasis?

4. Is there an appropriate mix of item types—multiple-choice, short answer, and long constructed response?

5. Does the draft framework provide clear information about the content and format of this NAEP assessment? Are the organization and format of the document appropriate for its intended audiences, including the general public, teachers, policy makers, curriculum specialists, and others?

6. The Board intends to change the assessment title, "Technological Literacy," to another more appropriate title, which clearly communicates the broad-based nature of the assessment. What are some recommendations for a new title and why are those choices more appropriate than Technological Literacy?

A detailed summary of the hearing that is informative to the public and consistent with the policy of section 5 U.S.C. 552b(c) will be available to the public within 14 days of the meeting. Records are kept of all Board proceedings and are available for public inspection at the U.S. Department of Education, National Assessment Governing Board, Suite 825, 800 North Capitol Street, NW., Washington, DC, from 9:00 a.m. to 5:00 p.m. Eastern Time, Monday through Friday.

Any person desiring to intervene or to protest in any of the above proceedings must file in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure (18 CFR 385.211 and 385.214) on or before 5 p.m. Eastern time on the specified comment date. It is not necessary to separately intervene again in a subdocket related to a compliance filing if you have previously intervened in the same docket. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Anyone filing a motion to intervene or protest must serve a copy of that document on the Applicant. In reference to filings initiating a new proceeding, interventions or protests submitted on or before the comment deadline need not be served on persons other than the Applicant.

The Commission encourages electronic submission of protests and interventions in lieu of paper, using the FERC Online links at <http://www.ferc.gov>. To facilitate electronic service, persons with Internet access who will eFile a document and/or be listed as a contact for an intervenor must create and validate an eRegistration account using the eRegistration link. Select the eFiling link to log on and submit the intervention or protests.

Persons unable to file electronically should submit an original and 14 copies of the intervention or protest to the Federal Energy Regulatory Commission, 888 First St., NE., Washington, DC 20426.

The filings in the above proceedings are accessible in the Commission's eLibrary system by clicking on the appropriate link in the above list. They are also available for review in the Commission's Public Reference Room in Washington, DC. There is an eSubscription link on the Web site that enables subscribers to receive e-mail notification when a document is added to a subscribed docket(s).
