**Publication of Model Notices for Health Care Continuation Coverage Provided Pursuant to the Consolidated Omnibus Budget Reconciliation Act (COBRA) and Other Health Care Continuation Coverage, as Required by the American Recovery and Reinvestment Act of 2009 (ARRA), as Amended by the Department of Defense Appropriations Act, 2010, Notice**

**AGENCY:** Employee Benefits Security Administration, Department of Labor.

**ACTION:** Notice of the Availability of the Model Health Care Continuation Coverage Notices Required by ARRA, as amended.

**SUMMARY:** On December 19, 2009, President Obama signed the Department of Defense Appropriations Act, 2010 (Pub. L. 111-118), which extended the availability of the health care continuation coverage premium reduction provided for COBRA and other health care continuation coverage as required by the American Recovery and Reinvestment Act (ARRA) of 2009 (Pub. L. 111-5). ARRA, as amended, retained the requirement that the Secretary of Labor (the Secretary), in consultation with the Secretaries of the Treasury and Health and Human Services, develop model notices. These models are for use by group health plans and other entities that, pursuant to ARRA, as amended, must provide notices of the availability of premium reductions and additional election periods for health care continuation coverage. This document announces the availability of the model health care continuation coverage notices required by ARRA, as amended.

**SUPPLEMENTARY INFORMATION:**

**I. Background**

The Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA) created the health care continuation coverage provisions of Title I of the Employee Retirement Income Security Act of 1974 (ERISA), the Internal Revenue Code (Code), and the Public Health Service Act (PHS Act). These provisions are commonly referred to as the "COBRA continuation provisions," and the continuation coverage that they mandate is commonly referred to as "COBRA continuation coverage." Group health plans subject to the Federal COBRA continuation provisions are subject to ARRA's premium reduction provisions and notice requirements. The Federal COBRA continuation coverage provisions do not apply to group health plans sponsored by employers with fewer than 20 employees. Many States require health insurance issuers that provide group health insurance coverage to plans not subject to the COBRA continuation provisions to provide comparable continuation coverage. Such continuation coverage provided pursuant to State law is also subject to ARRA's premium reduction provisions and notice requirements.

**II. Description of the Model Notices**

*a. In General*

ARRA mandates the provision of certain notices. Each of these notices must include: a prominent description of the availability of the premium reduction, including any conditions on the entitlement; a model form to request treatment as an "Assistance Eligible Individual";<sup>1</sup> the name, address, and telephone number of the plan administrator (and any other person with information about the premium reduction); a description of the obligation of individuals paying reduced premiums who become eligible for other coverage to notify the plan; and (if applicable) a description of the opportunity to switch coverage options.

The Department of Labor (the Department) created these model notices to cover an array of situations in order to deal with the complexity of the various scenarios facing dislocated

<sup>1</sup> In general, an "Assistance Eligible Individual" is an individual who has experienced an involuntary termination of employment that is a COBRA "qualifying event" at any time from September 1, 2008 through February 28, 2010 if he or she elects such COBRA coverage.

workers and their families. In an effort to ensure that the notices include all of the information required under ARRA, as amended, while minimizing the burden imposed on group health plans and issuers, the Department has created several packages. As with those developed by the Department originally under ARRA, each of the new packages is designed for a particular group of qualified beneficiaries, and contains all of the information needed to satisfy the content requirements for ARRA's amended notice provisions. The packages include the following disclosures:

- A summary of ARRA's premium reduction provisions.
- A form to request the premium reduction.
- A form for plans (or issuers) that permit qualified beneficiaries to switch coverage options to use to satisfy ARRA's requirement to give notice of this option.
- A form for an individual to use to satisfy ARRA's requirement to notify the plan (or issuer) that the individual is eligible for other group health plan coverage or Medicare.
- COBRA election forms and information, as appropriate.

*b. General Notice*

The amended General Notice is required to be sent by plans that are subject to the COBRA continuation provisions under Federal law.<sup>2</sup> It must include the information described above and be provided to ALL qualified beneficiaries, not just covered employees, who experience a qualifying event through February 28, 2010.<sup>3</sup>

The Department has updated the earlier version of this model notice so that it includes all of the information related to the premium reduction and

<sup>2</sup> Under ARRA, as amended, the Secretary generally is responsible for developing all of the model notices with the exception of model notices relating to Temporary Continuation Coverage under 5 U.S.C. 8905a, which is the responsibility of the Office of Personnel Management (OPM). In developing the original ARRA model notices, the Department was required to, and did, consult with the Departments of the Treasury and Health and Human Services, OPM, the National Association of Insurance Commissioners, and plan administrators and other entities responsible for providing COBRA continuation coverage. This set of models is an update of the originals and was created in consultation with staff at the Departments of the Treasury and Health and Human Services.

<sup>3</sup> In the event of a qualifying event that occurs prior to the 2010 DOD Act's December 19, 2009 date of enactment, this notice need not be provided to the extent that proper notice has already been provided. However, in cases where the qualifying event was a termination of employment, the Premium Assistance Extension Notice may be used to satisfy the statutory requirement to notify individuals of their new rights under ARRA, as amended.
