Rural Business-Cooperative Service

Title: Business and Industry Guaranteed Loan Making and Loan Servicing—ARRA Funding.

OMB Control Number: 0570-0060.

Summary of Collection: Business and Industry (B&I) Guaranteed Loan Program was legislated in 1972 under Section 310B of the Consolidated Farm and Rural Development Act, as amended (Act). The purpose of the B&I program, as authorized by the Act, is to improve, develop, or finance businesses, industries, employment and improve the economic and environmental climate in rural communities including pollution abatement and control by bolstering the existing private credit structure through the guaranteeing of quality loans made by lending institutions, thereby providing lasting community benefits. The B&I program is administered by Rural Business Service (RBS) through Rural Development State and sub-State Offices serving each State. The American Recovery and Reinvestment Act 2009 (Pub. L. 111-5) (Recovery Act) provided approximately \$126,100,000 in supplemental budget authority for the B&I Program.

Need and Use of The Information: To appropriately use these additional Recovery Act funds for guaranteeing B&I loans, necessary information is obtained on rural areas experiencing persistent poverty, outmigration, high unemployment, and under-served and under-represented groups and areas, which are among those areas hardest hit by the current economic crisis. The information is used by RBS loan officers and approval officials to determine program eligibility and to monitor the guaranteed loan portfolio to ensure that the lenders are servicing the loans adequately.
